### Lesson 3 Norms and Values

#### Review Questions

**Directions:** Read each main idea and answer the questions below. Refer to your textbook to write the answers.

**A. Main Idea:** There are three basic types of social norms, or rules that define a group's behavior.

1. Over time, what factors can cause norms to change?

---

---

2. What is the basic difference between mores and folkways?

---

---

3. What sets laws apart from other kinds of norms?

---

---

**B. Main Idea:** Formal and informal sanctions encourage people to conform to the norms of a group.

1. Suppose that an employee gets a raise. Would that be a formal sanction, or an informal sanction? What kind of behavior would the sanction encourage?

---

---

2. Suppose that a driver throws a food wrapper from the car and is stared at by a pedestrian. Would that be a formal sanction, or an informal sanction? What kind of behavior would the sanction encourage?

---

---

**C. Main Idea:** Values are broad, far-reaching ideas about what people in a society consider to be desirable.

1. Why is it possible for groups to support the same value but interpret it differently?

---

---

## **Guided Reading Chapter 6 Answers:**

Truly Guided Reading Liz Simon, 2014-01-21 Guided Reading is the classroom Reading Recovery with supplements. In the classroom, every child is involved in focussed reading instruction. Small groups necessitate exceptional organization. All this without the year-long training that Reading Recovery participants have. Over the years, teachers have been directed towards Guided Reading without knowledge of how to organize the class while working with small groups and further without the knowledge of what is involved in overt reading instruction. This book will change that and give teachers the resources to organize and put in place worthwhile and relevant activities for children to independently engage in. In this book, significant suggestions are forwarded to make Guided Reading easier to implement and more effective. This book challenges held views about Guided Reading, misconceptions and misapplications of Guided Reading will be highlighted and in place will be effective pedagogy to help children move towards being truly confident thinking readers. The teaching practices emphasized are Managing differentiated reading instruction for early developing early fluent readers, including a chapter relating to older readers. Class management while working with small groups, independent tasks, Questioning and prompting so children acquire and use self-help reading and comprehension strategies, Encouraging student talk where they explore and exchange ideas, Assessment and recording that informs instruction.

**The Story Bible Study Guide** Randy Frazee, 2016-08-09 The Story group Bible study provides groups of all sizes the opportunity to discuss and apply what they experience during the 31-week The Story church campaign. To understand the Bible says Frazee, you need bifocal lenses because two perspectives are involved. The Lower Story: our story is actually many stories of men and women interacting with God in the daily course of life. The Upper Story is God's story, the tale of his great overarching purpose that puts the individual stories together like panels in one unified mural. In 31 sessions, The Story video-based group study opens your eyes to God's master plan unfolding in the lives of the Bible's characters and in your own life. Discover the heart of God's Upper Story and the joy that comes as you align your story with God's. The Story Study Guide and DVD, sold separately, are designed for use by groups of all sizes, including small groups and Sunday school and adult education classes. Designed for use with
