The Ushers, Protocols And Greeters That Every Church Needs Albert O. Aina, 2018-05-19 I started writing this book in 1994 That was the year the LORD graciously commissioned me to raise for Him Quality leaders I started with Ministers and Pastors workshop Training for ushers was the second assignment I handled among the three fold mandates the LORD gave me in 1994 But no book was written by me back then neither did I come across any specialized book on Ushers Greeters and Protocols in one volume 20 years ago I have been privileged to conduct Training courses across the length and breadth of Nigeria on Ushering ministry for 20 years I have interacted with over 400 churches from over 280 denominations in conferences and seminars but I never wrote a book on this topic Our outfit Christian Leadership Skills have been involved in mass training for ushers in churches that counted 120 000 on Sundays with Ushers workforce of about 4 000 I have written 36 books to date but none on Ushers Protocol and Greeters until now A particular mega church invited us to deliver training for ushers and crowd controllers twice within three months in their headquarters church Their invitation came a bit late I could not be there physically I didn't have a book on Ushers or crowd control Only a manual Churches get confused on the role of ushers as different from protocol officers I have witnessed ushers and protocols fight for territories in churches A particular church head usher insists that he must stay side by side with the protocol officer by the altar very close to the anointed There was no book to show where each belong A particular ministry scrapped the word Ushers from the list of ministries The General Overseer banned the entire ushers from officiating in the length and breadth of the church His reason Brethren have the Holy Spirit to direct them No need for Ushers and the church went on smoothly thereafter I had no book

to give to the man of God No book I could give until 20 years later Who are Ushers Who are Protocol officers Who are Greeters Who are Traffic Controllers I didn't write any book to explain I only explain during workshop session Now the explanation has become handy **Guide for Celebrating® Holy Week and the Triduum** Corinna Laughlin, Kristopher Seaman, Stephen Palanca, 2016-12-01 Guide for Celebrating Holy Week and the Triduum provides a detailed overview of the rubrics surrounding the various liturgies rites and devotions of this time and addresses concerns surrounding multicultural communities evangelization and liturgical aesthetics New Member Assimilation Joel D. Heck, 1988 *Zealous for Good Works* Todd A. Wilson, 2018-10-02 Todd Wilson's church was devoted to the gospel and had long aspired to be the kind of city on a hill Jesus talks about in the Sermon on the Mount They wanted their hurting neighbors to see the light of Christ and be drawn to meet Jesus But how What practices actually make something like that possible They found the answers they were looking for in Titus In that often overlooked book of the Bible they discovered a call to be zealous for good works the kind of good works that are like a bright light shining in the darkness Zealous for Good Works is an exposition of Titus with a particular focus on mobilizing the church towards acting in kindness and goodness toward her neighbors This book is for anyone who's ever wanted to make a difference in the world and see their church do the same but wondered how to make it happen Zealous for Good Works offers you field tested scripturally based practical answers that you and your church leaders will get excited about putting into practice Titus 2:11-14 For the grace of God has appeared bringing salvation for all people training us to renounce ungodliness and worldly passions and to live self-controlled upright and godly lives in the present age waiting for our blessed hope the appearing of the glory of our great God and Savior Jesus Christ who gave himself for us to redeem us from all lawlessness and to purify for himself a people for his own possession who are zealous for good works

What Every Pastor Should Know Gary L. McIntosh, Charles Arn, 2013-04-15 Pastors and church leaders are constantly faced with strategic questions How much staff does the church need How many workers are needed in the nursery this month When is the right time to start a second worship service How many people should we train for evangelism this year How does seating and parking impact worship attendance When church leaders have questions about planning running or growing their churches they need answers fast What Every Pastor Should Know offers pastors and leaders 101 valuable rules and sacred laws to help answer real life ministry questions From advertising to facilities to visitation this valuable book offers the practical help that leaders need just when they need it most This comprehensive guide will become one of the most valuable books in a leader's library Never again will they wonder if they based critical decisions on the right information They'll get the answers they're looking for all in one place *The Whistleblower's Report* Jessica Linhart, 2020-06-29 What role should women play in church ministry Does scripture allow women to serve The Whistleblower's Report author Jessica Linhart offers a look at this very question emphasizing it's not our objective to understand the doctrine of man but to understand God's doctrine Linhart addresses controversial topics women face in ministry today and she includes interviews

with twenty five women from throughout the country She outlines and presents the hurdles in twenty five separate court cases Each case presents the interests of both the offenders and the offended The Whistleblower s Report Linhart provides a host of Biblical evidence which leads to an in depth study of the scriptures Ultimately she relies on the Holy Spirit to help guide Christians to deciphering the word in order to enter a verdict guilty or not guilty Roz Tandy,2007-12-01 When in the house of God be certain that you are doing nothing that could prevent others from having a meaningful worship experience one that is free from unnecessary distractions and annoyances Never forget that you have the capacity to shape a person s attitude and even their future by what they may witness in your behavior and attitude while in church What others see in you could very well be what drives them from or draws them to their designated place of worship Display the kind of behaviors and attitudes that will make worshippers want to come back and bring others As the Church we have the same obligation as any business would to deliver to our customers what we have promised When we as the church advertise to the world that The Love of Christ is shown here We ve got to consistently deliver the goods This is a book the church has been waiting for It cuts to the chase and deals with a root cause of the lack of sustained growth within many of our churches No church should be without it Prayers and Fables William Cleary,1997-12 Imaginative prayers based on Aesop s fables come together in this witty collection Cleary has put 50 fables into verse with a brief moral that brings the fable to life with practical wisdom Leading Churches Floyd D.
