

The background of the entire image is a warm, golden-yellow color with numerous light rays emanating from a central point, creating a sense of divine light or inspiration. In the center, a hand is shown holding a large, ornate key. The hand is positioned as if it is about to turn the key. The key itself is a classic skeleton key design, with a large, decorative bow and a long, thin shaft. The title 'The Key' is written in a large, elegant, black cursive font, with the word 'The' in a smaller, simpler font. The overall composition is centered and balanced, with the hand and key acting as the focal point.

**You Create What You Believe** Andy Alvarez P., 2018-09-29 What would happen with your life if you discover that you have power over your thoughts? That your reality is influenced by your thoughts? That what you are living is a result of your belief system? How does this knowledge change your daily routine? How would you think after proving that your mind has power over matter and your spirit has power over your mind? This book is about how our beliefs determine our lives. In a general sense, many people understand that. In this book, we will go beyond and develop the idea of how our beliefs actually create our life circumstances. We will leave the subject or thought that we were thrown into this world and we pick up the thought that we are the ones who create the world we live in and our own reality. The thought that we are able to create our lives just as we want it to be.

**Soul Secrets of Salsa** Claire Timberlake, 2011-11-16 Claire's Salsa instructor was the last person she would have imagined could provide her with spiritual guidance. She had known him as a coarse, angry young man. Yet it was the comments from this teacher, directed to improve her dancing, that began to change her life. Was her twenty-something-year-old Cuban American Salsa instructor being used as a channel for the Divine? Claire Timberlake began dancing Salsa as a 42-year-old newly divorced mother of three. For years she danced away lonely nights with partners from across the globe. Then illness struck, taking her not only off the dance floor but out of her normal life. After a lengthy recovery, she found herself at a crossroads, questioning her career path and her value to the world. Her love of dancing still strong, she returned to Salsa. Soon Claire realized that the knowledge she gleaned from Salsa was leading her toward health, happiness and a new career. What she had learned about following her Salsa partner was all she needed to know to follow her heart. This guidebook of life lessons will help you learn to let go and let your spirit lead in life's dance.

The One Percenter Code Dave Nichols, 2012-04-23 In The One Percenter Code, best-selling Motorbooks author and editor of Easyriders magazine, Dave Nichols takes up where he left off in One Percenter: The Legend of The Outlaw Bikers. Nichols takes readers inside the world of outlaw motorcycle clubs and pulls back the secretive curtain on the biker lifestyle. He explores the concept of brotherhood, ultimately arriving at a new definition of family and community in the process. Being a member of a one percenter motorcycle club requires extreme discipline; in this book, Nichols shows us what that life offers in return. Nichols delves into the one percenter code of conduct and honor and finds something that is sorely lacking in modern society. In this book, he shows us how we can apply those values in our own lives. The world of the outlaw biker has its own rough-hewn rules of order, and The One Percenter Code acts as a guidebook to that truth: honor and brotherhood-based world.
