Gundur, 2022-08-15 Trying to Make It is R V Gundur's journey from the US Mexico border to America's heartland from America's prisons to its streets in search of the true story of the drug trade and the people who participate in it The book begins in the Paso del Norte area encompassing the sister cities of Ciudad Juarez and El Paso which has been in the public eye as calls for securing the border persist From there it moves on to Phoenix which was infamously associated with the drug trade through a series of kidnappings Finally the book goes on to Chicago which has been a lightning rod of criticism for its gangs and violence Gundur highlights the similarities and differences that exist in the American drug trade within the three sites and how they relate to current drug trade narratives in the US At each stop the reader is transported to the city's historical and contemporary contexts of the drug trade and introduced to the individuals who have lived them Drug retailers street and prison gang members wholesalers and the law enforcement personnel who try to stop them offer readers a comprehensive look at how various illicit enterprises work together to supply the drugs that American users demand Most importantly through a combination of macro and microlevel

vantage points and comparative analysis of three key sites in illicit drug operations the stories in Trying to Make It remind us that the people involved in the drug trade for the most part do not deserve vilification Far from being a seemingly uniform widespread threat or an unlimited array of bogeymen and women they are ordinary people living ordinary lives just trying to make it

Befriend and Betray Alex Caine, 2009-02-17 The Hells Angels The Bandidos Asian triads Russian mobsters and corrupt cops Even the KKK Just part of a day's work for Alex Caine an undercover agent who has seen it all Alex Caine started life as a working class boy who always thought he'd end up in a blue collar job But after a tour in Vietnam and a stretch in prison on marijuana possession charges he fell into the cloak and dagger world of a contracted agent or kite infiltrating criminal groups that cops across North America and around the globe were unable to penetrate themselves Thanks to his quick wittedness and his tough but unthreatening demeanor Caine could fit into whatever unsavory situation he found himself Over twenty five years his assignments ran the gamut from bad ass bikers to triad toughs When a job was over he'd slip away to a new part of the continent or world where he would assume a new identity and then go back to work on another group of bad guys Told with page turning immediacy Befriend and Betray gives a candid look behind the scenes at some familiar police operations and blows the lid off others that law enforcement would much prefer to keep hidden And it offers an unvarnished account of the toll such a life takes one that often left Caine to wonder who he really was behind those decades of assumed identities Or whether justice was ever truly served
