

GARMIN eTrex Vista® HCx

FEATURES

Deep foliage, nor canyons faze the rugged eTrex Vista HCx. Its high-sensitivity receiver holds a GPS signal in the toughest environments. Similar to the Vista Cx, this handheld navigator also has a bright color screen, barometric altimeter, electronic compass, microSD™ card slot and automatic routing for wherever adventure takes you.

Enjoy Clear Reception

With its high-sensitivity, [WAAS](#)-enabled GPS receiver, eTrex Vista HCx locates your position quickly and precisely and maintains its GPS location even in heavy cover and deep canyons. The advantage is clear — whether you're in deep woods or just near tall buildings and trees, you can count on Vista HCx to help you find your way when you need it the most.

Get Your Bearings

The Vista HCx has a built-in electronic compass that provides bearing information even while you're standing still, and its barometric altimeter tracks changes in pressure to pinpoint your precise altitude. You can even use the altimeter to plot barometric pressure over time, which can help you keep an eye on changing weather conditions.
