Woman's Own. **A Better Me** Gary Barlow, 2018-10-04 The Sunday Times Number One Bestseller Gary Barlow is one of the most successful British musicians and songwriters of all time, but fifteen years ago, as he himself admits, he hit rock bottom. He was out of shape, out of work and depressed. Faced with an underperforming solo career, tireless media taunts and the other cruel twists of fate, Gary turned to food. For nine years he struggled with his weight and went on every diet imaginable before eventually asking a doctor what the cure for obesity was. That was when he realised that he would have to change his life dramatically. So how did he go from an obese, out-of-work pop star to becoming a hugely successful superstar of music and TV, as well as an accomplished musical songwriter and producer who is full of vitality, fitter, happier and more successful than ever before? In this extraordinarily honest memoir, Gary tells of his journey back to professional success as well as mental and physical health. *A Better Me* is a remarkably frank account of Gary's life as he battled with his demons, endured personal tragedy and staged one of the most thrilling professional comebacks in decades. In his warm, witty and authentic voice, Gary recounts his story with compelling insight, captivating sincerity and a human side that people rarely see. From returning with a critically and commercially successful Take That and reigniting his own legendary songwriting career, going beyond recorded music to forge success on
