

Animal Farm Revision Guide

Chapter I

After lights out, all the animals gather in the big barn to hear old Major communicate his strange dream of the previous night. Before doing so, he imparts his life learnings: that the existence of animals is one of toil and drudgery and that Man is the enemy; if animals are to ever achieve better lives then they must unite against Man. A vote is held to ascertain whether wild creatures such as rats should be considered comrades; though an overwhelming majority votes that they are, there are a few in opposition.

His dream was the remembrance

Power and Control

Power means to many things:

- political power and government;
- strength, resistance and physical prowess;
- knowledge and wisdom (power to the people).

Power is not in itself a bad thing, but with great power comes great responsibility... who might mismanage this resource? Napoleon, when writing of the abuse of power, said: "I have known the power of the state used for good and evil, but I have never known it used for anything else."

Power is not in itself a bad thing, but with great power comes great responsibility... who might mismanage this resource? Napoleon, when writing of the abuse of power, said: "I have known the power of the state used for good and evil, but I have never known it used for anything else."

It is ironic that Napoleon gains absolute power, which has been the most obvious power.

Context

As the novel opens, Napoleon is the most powerful animal in the farm, and he is the one who is most responsible for the success of the revolution. He is the one who is most responsible for the success of the revolution.
