

# BRIDGET JONES'S DIARY

1 Think about Bridget's lifestyle and complete the table below.

|                     |               |  |
|---------------------|---------------|--|
| Bridget's lifestyle | Advantages    |  |
|                     | Disadvantages |  |

a/ In your country, is it common or unusual for women to be single and live alone in their thirties? Is it the same situation for men? What do you think is the average age that men/women get married in your country? At what age is it common to have a first child?

b/ In your own opinion, how important is it to get married? Can your career be as important as, or more important than, marriage and family? Write a paragraph giving your opinion with reasons.

2 Imagine you are Bridget Jones and you are writing a diary entry for 31 December one year after the end of the story. Include details of:

- where and with whom you spent the day (Mark Darcy? Daniel Cleaver? Another man? Alone?)
- what has happened in your life during the past year (career, health, friends) and which resolutions you have kept/broken
- what your parents are doing
