The fun starts with HTC ThunderBolt For Dummies. *HTC One M9: A Guide for Beginners* Matthew Hollinder, 2015-04-17. The third generation HTC One M9 was announced in March of 2015. The phone has numerous upgraded features compared to the HTC One M8, including individual notifications, better camera quality, battery saving options, high quality audio, and a higher resolution screen. The phone is programmed so that it works to personalize its features to work with the habits and activities of individual users and offer helpful apps and information at the right time. It also has many useful default apps and a large selection of additional apps which add to the user's experience. An enhanced user interface which runs on the latest version of Android also makes the phone simpler to use than its predecessors. One of the top advantages of the phone over its competitors is the large storage capacity, and it is a favorite among music lovers who want to listen to quality audio and be able to save more of their music on a mobile device.
