Toshack, 2002      Journal of the AER, 1947      **Journal of the AERT**, 1946      *Henry James and the Imagination of Pleasure* Tessa Hadley, 2002-02-14 Tessa Hadley examines how Henry James progressively disentangled himself from the moralizing frame through which English language novels in the nineteenth century had imagined sexual passion Hadley argues that his relationship with the European novel tradition was crucial helping to leave behind a way of

seeing in which only bad women could be sexual She reads James's transitional fictions of the 1890s as explorations of how disabling and distorting ideals of women's goodness and purity were learned and perpetuated within English and American cultural processes These explorations Hadley argues liberate James to write the great heterosexual love affairs of the late novels with their emphasis on the power of pleasure and play themes which are central to James's ambitious enterprise to represent the privileges and the pains of turn of the century leisure class society Macbeth John Drakakis, Dale Townshend, 2013-09-12 The tragedy of Macbeth is filled with blood and darkness and is a morally and politically complex study of ambition power and guilt This guide offers practical aids to study and fresh new ways of responding to the play's ever expanding critical possibilities Back cover *The Tragedie of Macbeth* William Shakespeare, Mark Harvey Liddell, 1903
