Brigham, Joel F. Houston, 1998 When the book was first published more than 20 years ago our intent was to write an introductory finance text that students could understand Today the book has become the leading undergraduate finance text The book is intended for use in the introductory finance course The key chapters can be covered in a one term course or supplemented with cases and some outside readings used in a two term course Pref *Essentials of Managerial Finance* John Fred Weston, Eugene F. Brigham, 1990 **Understanding Healthcare Financial Management, Seventh Edition** Louis C. Gapenski, PhD, George H. Pink, PhD, 2015-03-01 Instructor Resources New test bank PowerPoint slides chapter problem solutions minicase solutions and a transition guide to the new edition In today's healthcare environment financial issues are paramount and managers must be prepared to deal with these issues as they strive to improve the delivery of health services Understanding Healthcare Financial Management Seventh Edition blends theory with the nuts and bolts tools managers need for real world decision making The authors emphasize practical application through self test questions key concepts glossary terms learning objectives and spreadsheet problems featured throughout the book allowing students to make educated financial decisions in even the most complex provider settings This substantially updated seventh edition provides an even greater focus on the types of financial decisions made by healthcare providers and a more user friendly approach to the topics presented Updated content explains effects of health reform on financial management Expansion of content on the healthcare environment from two chapters to three provides additional focus on health insurance and payments to providers Key equation boxes highlight important formulae Integrative applications present in depth practice problems that illustrate key concepts Anecdotal sidebars connect interesting real world situations with chapter topics End of chapter supplements

expand on the book's core content. Placement of important but nonessential content to chapter extensions allows students to focus on essential content. A new appendix that compiles the book's key equations in one place provides a handy summary of the most important mathematical formulas and variable definitions. A companion website enhances learning, clarifies concepts, and provides additional tools for financial decision making, including Excel models that illustrate the text's calculations and chapter problems, spreadsheets, and minicases that provide further practice in applying concepts. In addition, the website contains two bonus chapters.
