necessarily creamy or milky For example toffee pudding and jam roly poly both common family desserts are more similar to cake and can have a crumblier texture Quite possibly the most famous British pudding is Christmas pudding This very moist fruit cake contains candied orange peel brown sugar raisins and spices Traditionally brandy is poured over the top and set on fire In Asia rice pudding is a popular dessert Known as kheer in India it is made by boiling milk and sugar with rice Raisins nuts and saffron can be added to improve the flavor Coconut milk tapioca and mango are also commonly added giving this dessert a light tropical flavor kheer 10 22 Today puddings might be found under the desserts section of a restaurant menu but back in the Middle Ages when they first saw the light of day puddings were typically savory They started out as something like a boiled sausage The meat was mixed with blood fat and maybe rice or bread Then it was stuffed into animal stomachs or intestines before it was cooked The more well known of the savory puddings include Scotland s haggis a mixture of sheep s organs onion fat and spices stuffed in a sheep s stomach and boiled Over time people began using cloth instead of animal stomachs or intestines as a holder and adding spices ginger and dried fruit to the meat mix Gradually sweet puddings were introduced but these were still boiled just like the savory types With ovens becoming more common in 19th century Britain baked puddings began to appear These looked like our modern day pies and tarts which explains why pudding can also mean dessert in Britain Now that you know more about puddings there s still one question which one tastes the best There s only one way to find out for as they say the proof is in the pudding
