Applications of Fuzzy Techniques Scott Dick,Vladik Kreinovich,Pawan Lingras,2022-09-29 This book is of interest to practitioners researchers and graduate students seeking to apply existing techniques to learn about the state of the art or to explore novel concepts in the theory and application of fuzzy sets and logic Human knowledge and judgement are essential in both designing technological systems and in evaluating their outcomes However humans think and communicate in imprecise concepts not numbers Fuzzy sets and logic are well known widely used approaches to bridging this gap which have been

studied for nearly 60 years NAFIPS 2022 brought together researchers studying both the theoretical foundations of fuzzy logic and its application to real world problems Their work examined fuzzy solutions to problems as diverse as astronomy chemical engineering economics energy engineering health care and transportation engineering Many papers combined fuzzy logic with interval or probabilistic computing neural networks and genetic algorithms

Knowledge for Inclusive Development Pedro Conceição, David V. Gibson, Manuel V. Heitor, Giorgio Sirilli, Francisco Veloso, 2002-06-30 The essays in this book examine the role of education and the university in economic development It is the contention of the contributors that knowledge ideas and skilled and educated people are increasingly important for economic development How to promote inclusive development the process of development that includes every citizen in any country has become a wide ranging puzzle After framing the problems associated with globally integrated learning processes from the perspective of science and technology policies the essayists look at the role of the university in the knowledge economy drawing examples from the United States Japan and Portugal They then review the role of innovation in the industrial policies of a variety of countries look at systems of knowledge creation and diffusion and conclude with commentary on the roles of public planning and policy in the achievement of sustainable development This wide ranging examination of knowledge and development issues will be of value to scholars researchers and policy makers involved with economic growth and development
