Church Websites Chris Cree, 2020-03-01 Church leaders today are far too busy to waste precious time and money on ineffective websites and fruitless online activity Church Websites is a book for those ministers which explains how things work in the online world in simple language This book explains the why behind the various online activities so ministers can focus their resources on the right things for maximum effectiveness It doesn't matter that you are doing things right if you aren't doing the right things Once you know the right things to do figuring out how to do those things right is much easier Church Websites will help you know the right things The tools change But the principles stay consistent Specific techniques come and go But the general strategies that work are still the same as they have always been When it comes to building an audience online the same overarching principles are true now that were true when I wrote my first blog post back in 2005 This book lays out a proven strategy for your church or ministry to reach more people online through both your website and social media based on my first hand experience working with a wide variety of clients for more than a decade My first freelance client was a parachurch ministry Over the years I've worked with everything from small churches up through large corporate clients and major universities Not only do these concepts work for all of those types of organizations but they are also exactly how we continue to reach more people with our own international ministry Church Websites will help you be more successful by showing you the important stuff to focus on so you don't waste a lot of

time     **Building a WordPress Blog People Want to Read** Scott McNulty, 2010-12-03 Having your own blog isn't just for the nerdy anymore. Today it seems everyone from multinational corporations to a neighbor up the street has a blog. They all have one in part because the folks at WordPress make it easy to have one. But to actually build a good blog to create a blog people want to read takes thought, planning, and some effort. From picking a theme and using tags to choosing widgets and building a community, creating your blog really starts after you've set it up. In *Building a WordPress Blog People Want to Read* by blogger extraordinaire Scott McNulty, you'll learn how to install and get your WordPress site running. Set up your site to ensure it can easily grow with you and your readers. Be the master of user accounts. Manage your site with the WordPress Dashboard and extend its capabilities with plug-ins. Make the most of images. Work with pages, templates, and links, and of course, publish your posts. Use custom post types and taxonomies to bend WordPress to your will. Deal with comments if you even want readers commenting at all. Find a theme and make it your own.     **Branding Yourself** Erik Deckers, Kyle Lacy, 2017-10-09 Want a new job or career? Need to demonstrate more value to customers or employers? Use today's hottest social media platforms to build the powerful personal brand that gets you what you want. In this completely updated book, Erik Deckers and Kyle Lacy help you use social media to network and advance your career, grow your business, and land new job opportunities. From LinkedIn to Facebook, now including Instagram and Snapchat, this book is packed with new techniques and ideas that are practical, easy, and effective. Deckers and Lacy show you how to supercharge all your business and personal relationships, demonstrate that you are the best solution to employers or partners' toughest problems, become a recognized thought leader, and turn your online network into outstanding jobs, great projects, and a fulfilling, profitable career. Discover how to choose today's best social media tools for your personal goals. Build an authentic storyline and online identity that gets you the right opportunities. Make the most of Facebook, LinkedIn, and Twitter, and leverage new platforms like Snapchat and Instagram. Build connections and prove expertise by sharing video on YouTube and Vimeo. Find yourself on search engines and then optimize your personal online presence. Promote your events, accomplishments, victories, and even defeats, and lessons learned. Integrate online and offline networking to get more from both. Reach people with hiring authority and budgets on LinkedIn. Use Twitter to share the ideas and passions that make you uniquely valuable. Avoid killer social networking mistakes. Leverage your online expert status to become a published author or public speaker. Measure the success of your social media branding. Get new projects or jobs through your online friends and followers.     **Introduction to Information Systems** R.
