Dear Sir,

I'm addressing this complaint letter to make a complaint against the hostile work environment that I'm currently going through. I have been a sincere and loyal employee of the company for about 7 years now and have served the company with my all. However, it makes me feel pain to state that I'm not receiving a similar type of treatment at my workplace. I have been the victim of the hostile work environment from my senior for many months now.

It has gone beyond my tolerance and the silence now to bear it anymore as I'm suffocating each day with what I'm going through. I kindly request you to please review the work culture environment at our senior front as they have been exploiting me and my other junior colleagues under their sheer domination. I expect to hear soon anything from you in the return of the letter and take due action to filter out all the toxicity from the office environment.

Thanks & regards
Dana Cruise
