From Village to Presidential Suite Joseph Jabbra, 2022-03-22 I did not intend to write a scholarly book for I did not want to intellectualize my life Nor did I wish to romanticize it I wanted to describe it as I lived it with emphasis on people I wanted to express in this book the joy I experienced in giving generously of myself my time and my modest material possessions to make others happy and to share the many gifts of life I wanted also to share with those who aspire to become academic leaders the myriad lessons my upbringing education and professional life have taught me I thought they might find these lessons learned useful as they strive for successful careers and more importantly for rewarding personal and professional lives Again this book is a story the story of my life wherein the personal and the professional have intermingled and strengthened each other making a better whole of my person personality aspirations and talents This unique alliance between the professional and the personal dimensions of my life I am happy to say always triumphed and accounted for the successes that so many good people helped me achieve Without the guidance advice cooperation and support of others I am sure my life would not have been as fulfilling Dr Jabbra did govern this impossible republic delivering transformative change to LAU in the process Dr Jabbra restored our mission Philip Stoltzfus Chairman LAU Board of Trustees How does one know one has lived a full life This is a question that preoccupies all of us at one time or another but at a simple level we can say through the evidence of our actions and our relationships with others The pages of this memoir bear witness to Dr Jabbra's achievements from his successful terms as Provost at St Mary's and Loyola Marymount to his crowning moment as President of LAU But much of the magic of this book lies in its descriptions of his friendships and interactions throughout his life from the early days in his family village of al Firzul to his school experiences at Harissa and St Joseph and the eventual passage to the United States armed with Arabic French Latin and Greek but no English Then on to his life in America and Canada and the rich relationships he formed with so many in that extraordinary phenomenon that is the Lebanese diaspora After seeing

an early draft of this memoir I urged Dr Jabbra to relate the day to day experiences he had in running LAU in the semichaotic atmosphere that prevails even in the best of times in Lebanon I knew how vivid some of these moments were having shared many with him and he has captured that time beautifully although I wish he had included a particularly hairy moment he and I once had from which we were fortunate to emerge unscathed Philip Stoltzfus Chairman LAU Board of Trustees September 2021 My tamed ego was my friend and not my enemy my wise advisor but not my dictator Forgiveness instead of retaliation was my motto Integrity and the highest ethical standards defeated hands down my detractors at the governing boards of any institution I served My leveling with people working together with them and my honesty were invincible weapons and very difficult to resist or defeat The realization on the part of the three university families I served in Canada the United States and Lebanon that I had a unique combination of genuine caring for people and a will of steel to defend the institution I was working for against any abuse won me the people s respect not their fear their genuine affection and trust And this is something that I will cherish for the rest of my life My transformative tenures at SMU LMU and LAU were strengthened by their remarkable families They believed in the mission of their respective universities they pulled ranks together and together they transformed them from ordinary colleges to major forces in higher education and they did it with indomitable drive exemplary grace unique pride and contagious passion Dr Joseph Jabbra From Village to Presidential Suite My Life s Journey 2022 pg 687 In Conclusions and Lessons learned Beirut Hachette Antoine     *Simulation & Games* ,1983     [Helping Your Students Write Personal Statements](#) Stephen Lasonde,2024-04-08 This practical book is a timely and comprehensive guide designed for college advisors and instructors who are supporting and coaching students into successful internships fellowships graduate programs and professional schools This book emphasizes the most important part of any application the personal statement how to prepare to write it how to draft it how to revise it and why to invest time in the process of developing it Helping Your Students Write Personal Statements analyzes the components of the effective personal statement and provides examples from many successful essays by actual college students as well as exercises for students It also gives advisors the tools to help engage students who might not ordinarily consider themselves credible candidates for nationally competitive fellowships This book uniquely takes a developmental approach offering college advisors and teachers a concrete step by step plan to help any student craft the best most persuasive personal statement they can write helping transform their students into compelling competitive candidates     *The Motion Picture Mega-industry* Barry Russell Litman,1998 What are the driving forces behind the film industry How does the creative side gel with the business side This book explores this fascinating industry in detail and answers the questions never before answered The Motion Picture Mega Industry is an in depth exploration of the movie industry from the early developments to its current multi billion dollar influence on today s society Barry Litman has produced a truly unique text drawing on contributions from some of the top scholars in the field The book examines the business of motion pictures how the industry is structured what ethics and morals are commonplace the
