How To Speak And Write Correctly Joseph Devlin:

How to Speak and Write Correctly Joseph Devlin, 2016-12-03 Learn the Easy Way to Speak and Write Well I found this book by accident while browsing through a now defunct Los Angeles bookstore cafe It was the luckiest accident of my life At that point I had been a professional writer for more than twenty years but I rarely enjoyed my work and I felt all of it was disposable in one way or another At first reading this book gave me an incredible if unfamiliar feeling of joy and self confidence Afterwards I began to surprise the hell out of myself in terms of what I was able to accomplish This little book is very practical and precise The best plan is to follow the best authors and these masters of language will guide you safely along the way There are chapters devoted to all the essential components to make writing interesting Devlin delivers a concise book that allows you to start improving your speech and writing quickly Every writer should have this book as a ready reference and guide Get Your Copy Now

How to Speak and Write Correctly by Joseph Devlin Joseph Devlin, 2017-09-29 This is a 1910 guide for those who wish to learn how to correctly though maybe not properly create sentences use figures of speech write letters and more all while choosing the right words and doing it with style Joseph Devlin's words may not all be relevant still today but at least it sounds *How to Write and Speak Correctly* Joseph Devlin, 2006-05 This book has no pretension about it whatever it is neither a Manual of Rhetoric expatiating on the dogmas of style nor a Grammar full of arbitrary rules and exceptions It is merely an effort to help ordinary everyday people to express themselves in ordinary everyday language in a proper manner Some broad rules are laid down the observance of which will enable the reader to keep within the pale of propriety in oral and written language Many idiomatic words and expressions peculiar to the language have been given besides which a number of the common mistakes and pitfalls have been placed before the reader so that he may know and avoid them

How to Speak and Write Correctly (Illustrated) Joseph Devlin, 2015-12-29 A book on improving eloquence proficiency and grammar in everyday communication How to Speak and Write Correctly is not a manual of the styles to use in speaking and writing nor is it a manual for grammar It is a simple useful book for helping ordinary people in effective communication It lays down and explains broad rules of communication further giving useful tips for effective communication The book also lists common mistakes in communication and offers suggestions on how best to avoid them Joseph Devlin also known as Joe Devlin 13 February 1871 18 January 1934 was an Irish journalist and influential nationalist politician He was a member of parliament MP for the Irish Parliamentary Party in the House of Commons of the United Kingdom of Great Britain and Ireland and later a Nationalist Party MP in the Parliament of Northern Ireland

How to Speak and Write Correctly Joseph Devlin, 2018-08-06 How to Speak and Write Correctly Large Print By Joseph Devlin It is very easy to learn how to speak and write correctly as for all purposes of ordinary conversation and communication only about 2 000 different words are required The mastery of just twenty hundred words the knowing where to place them will make us not masters of the English language but masters of correct speaking and

writing Small number you will say compared with what is in the dictionary But nobody ever uses all the words in the dictionary or could use them did he live to be the age of Methuselah and there is no necessity for using them There are upwards of 200 000 words in the recent editions of the large dictionaries but the one hundredth part of this number will suffice for all your wants Of course you may think not and you may not be content to call things by their common names you may be ambitious to show superiority over others and display your learning or rather your pedantry and lack of learning For instance you may not want to call a spade a spade You may prefer to call it a spatulous device for abrading the surface of the soil Better however to stick to the old familiar simple name that your grandfather called it It has stood the test of time and old friends are always good friends We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

Quicklet on Joseph Devlin's How to Speak and Write Correctly

Taryn Nakamura, 2012-02-24

ABOUT THE BOOK In the introduction to *How to Speak and Write Correctly* Joseph Devlin writes that his book is not a grammar manual full of rules Devlin wrote the book for ordinary people who want to speak in a proper manner Devlin writes some general guidelines for grammar and style He begins with an overview of the parts of speech and formation of sentences and paragraphs Some of his most helpful tips are those on common pitfalls He reminds the reader that even the best writers make mistakes Using examples of famous authors mistakes Devlin shows how to avoid circumlocution split infinitives and redundancy The chapters on writing letters and writing for newspapers have obsolete information However these chapters serve as amusing artifacts of the days when calling cards were still common and women were guardians of the home

MEET THE AUTHOR Taryn Nakamura was born and raised in Hawaii where she s recently returned after receiving a B A in English at Yale University As a writing concentrator at Yale she focused on fiction but as a Hyperink writer she s learned that nonfiction can also be fun In her free time she likes to run at a walking pace haunt libraries and eat pickles

EXCERPT FROM THE BOOK In the simplest sentence the word order is subject verb object Longer sentences allow for other ways of arranging words The beginning and the end of sentences are the most important positions The reader pays closer attention to these parts of the sentence The end of the sentence is more significant than the beginning Do not begin or end a sentence with insignificant words Loose sentences put the main idea first and the descriptions follow Periodic sentences begin with descriptive introductions and ends with the main idea Speakers should use

loose sentences to keep an audience's attention Either form can be used in writing A paragraph should be composed of sentences that illustrate the same idea Sentences should flow naturally with transitions The content should show a logical progression The first sentence introduces the main idea and the last sentence enforces it Buy a copy to keep reading *How to Speak and Write Correctly* Joseph Devlin, 2007-09-01 The examples of these men are incentives to action Poverty thrust them forward instead of keeping them back Therefore if you are poor make your circumstances a means to an end Have ambition keep a goal in sight and bend every energy to reach that goal A story is told of Thomas Carlyle the day he attained the highest honor the literary world could confer upon him when he was elected Lord Rector of Edinburgh University After his installation speech in going through the halls he met a student seemingly deep in study *How to Speak and Write Correctly* Joseph Devlin, 2015-08-08 *How to Speak and Write Correctly* by Joseph Devlin M A Edited by Theodore Waters In the preparation of this little work the writer has kept one end in view viz To make it serviceable for those for whom it is intended that is for those who have neither the time nor the opportunity the learning nor the inclination to peruse elaborate and abstruse treatises on Rhetoric Grammar and Composition To them such works are as gold enclosed in chests of steel and locked beyond power of opening This book has no pretension about it whatever it is neither a Manual of Rhetoric expatiating on the dogmas of style nor a Grammar full of arbitrary rules and exceptions It is merely an effort to help ordinary everyday people to express themselves in ordinary everyday language in a proper manner Some broad rules are laid down the observance of which will enable the reader to keep within the pale of propriety in oral and written language Many idiomatic words and expressions peculiar to the language have been given besides which a number of the common mistakes and pitfalls have been placed before the reader so that he may know and avoid them The writer has to acknowledge his indebtedness to no one in particular but to all in general who have ever written on the subject The little book goes forth a finger post on the road of language pointing in the right direction It is hoped that they who go according to its index will arrive at the goal of correct speaking and writing *How to Speak and Write Correctly* Joseph Devlin, 2010-10 It is very easy to learn how to speak and write correctly as for all purposes of ordinary conversation and communication only about 2 000 different words are required The mastery of just twenty hundred words the knowing where to place them will make us not masters of the English language but masters of correct speaking and writing Small number you will say compared with what is in the dictionary But nobody ever uses all the words in the dictionary or could use them did he live to be the age of Methuselah and there is no necessity for using them There are upwards of 200 000 words in the recent editions of the large dictionaries but the one hundredth part of this number will suffice for all your wants Of course you may think not and you may not be content to call things by their common names you may be ambitious to show superiority over others and display your learning or rather your pedantry and lack of learning For instance you may not want to call a spade a spade You may prefer to call it a spatulous device for abrading the surface of the soil Better however to stick to the old familiar simple name

that your grandfather called it It has stood the test of time and old friends are always good friends To use a big word or a foreign word when a small one and a familiar one will answer the same purpose is a sign of ignorance Great scholars and writers and polite speakers use simple words
