A Handbook on Isaiah Jan de Waard, 1997-01-01 In this volume the first of a projected series on the Hebrew Bible de Waard aims to give translators better insight into the viewpoint of the textual critic to help them find a good base for translation Though of primary interest for translators students and scholars will also be pleased to find that de Waard summarizes the arguments and ratings of the Hebrew Old Testament Text Project Because the final report of the HOTTP was published in French and was the work of textual critics rather than translation specialists its valuable contribution was found to have practical limitations DeWaard s work is also valuable because it examines three major Jewish versions in addition to the Christian versions selected by the Project for study Future volumes are planned to cover other portions of the Hebrew Bible Old Testament

Frankl,2017-04-25 A young readers edition of the best selling classic about the Holocaust and finding meaning in suffering with a photo insert a glossary of terms a chronology of Frankl s life and supplementary letters and speeches The Library of Congress called it one of the ten most influential books in America the New York Times pronounced it an enduring work of survival literature and O The Oprah Magazine praised it as one of the most significant books of the twentieth century Man s Search for Meaning has long riveted readers with its descriptions of life in Nazi death camps and its lessons for spiritual survival This new young readers edition brings a beloved classic to a new

generation of readers offering a universal tribute to coping with suffering and finding one's purpose. An abridged text of the original book emphasizing Frankl's personal story while omitting some material on his psychological theory of logotherapy is presented here along with supplemental materials that vividly bring Frankl's story to life and a foreword by prominent young adult author John Boyne. *Man's Search for Meaning: A Young Readers Edition* will help readers ages twelve to eighteen grasp Frankl's enduring lessons on perseverance and strength with clarity and depth. **The Law Times**, 1922. The Early Modern English Version of Elizabeth Jacob's Physicall and Chyrurgical Receipts Miriam Criado-Peña, 2018-07-27. This book offers a semi-diplomatic transcription of Elizabeth Jacob's *Physicall and chyrurgicall receipts* MS Wellcome 3009 ff 17r-90r, an Early Modern English remedy book housed in the Wellcome Library London and hitherto unedited. The edition is accompanied by a linguistic analysis of the text together with a palaeographic and a codicological study of the volume. As such, this book conforms itself as a primary source for research in historical linguistics and other related fields such as the history of medicine and ecdotics. *Bookseller and the Stationery Trades' Journal*, 1912. **Man's Search for Meaning** Viktor E. Frankl, 2015-10-06. The bestselling Holocaust memoir about finding purpose and strength in times of despair, selected as a Library of Congress 10 Most Influential Books in America. This stunning gift edition of one of the great books of our time, Harold S. Kushner features new photos, endpapers, and Frankl's never-before-published speeches and letters. Hailed as an enduring work of survival literature by the New York Times, Viktor Frankl's account of his time in the Nazi concentration camps and his insights into our ability to find meaning despite great adversity has offered solace and guidance to generations of readers since it was first published in 1946. This stunning hardcover gift edition features previously unpublished material including letters, speeches, essays, and an 8-page photo insert that reveal Frankl's enduring lessons on perseverance and strength in even greater depth. At the heart of Frankl's theory of logotherapy from the Greek word for meaning is a conviction that the primary human drive is not pleasure as Freud maintained but rather the discovery and pursuit of what the individual finds meaningful. Today, as new generations face new challenges and an ever more complex and uncertain world, Frankl's classic work continues to inspire us all to find significance in the very act of living in spite of all obstacles. With more than 16 million copies sold in over 50 languages, this timeless masterpiece is one of the outstanding contributions to psychological thought. Carl Rogers and others offer inspiration for coping with suffering and finding your purpose.
