In The Hands Of The Living

In The Hands Of The Living:

Into the Hands of the Living God Lyle Eslinger, 1989-10-01 *Into the Hands of the Living God* is Lyle Eslinger's second study of Deuteronomistic literature. This book is devoted to studies of key texts: Joshua 1, 9; Judges 1, 2, 1; Samuel 12, 1; Kings 8, 2; Kings 17 or concepts: the success/failure of the conquest, the exile, and theodicy in these narratives. Eslinger's readings are unorthodox and challenging both for readers from the communities of faith and for critical scholarship. The Deuteronomistic narratives are here shown to be far from being a vindication of the ways of God at Israel's expense. Rather, in these narratives God no less than Israel's leaders has his hands soiled in the machinations that end in Babylon. What the Deuteronomistic history offers is rather a dispassionate analysis of the problems, some unavoidable, that predetermined the failure of the covenant relationship. The collection of carefully worked-out close readings of the biblical text in this volume provides a new critical vantage point from which one can reassess conventional historical-critical readings of these colourful books.

The Danger of Falling Into the Hands of the Living God Matthew Mead, C. Matthew McMahon, 2016-06-13 In this convicting work directed to increase a healthy fear of the Living God to Christians, Mead works from Hebrews 10:31. It is a fearful thing to fall into the hands of the Living God. Mead teaches in what sense God is the living God and what it means to fall into the hands of this God who lives. Every sinner, redeemed or remaining in unbelief, will ultimately stand in judgment before the Living God and will have to deal with God both necessarily and everlastingly. Necessarily, as God requires an account of their life and everlastingly, where the final state of the sinner will be determined. Mead demonstrates that having such a healthy fear of falling into God's hands is evidenced from that terror which sinners themselves many times feel under the sense of God's wrath in this world. Men must be saved by Christ to escape the dreadful judgment that accompanies unbelief when they fall into the hands of the Living God. This union with Christ, God's only Redeemer, is such a union as that by it a man's state is fundamentally changed so that he is no longer a child of wrath. It is a union fixed in the blessed state of justification and the forgiveness of sins. By virtue of this union, he has a right to all the blessings of the covenant. This is what gives Christians great boldness in the day of judgment to stand before the Living God in whose hands they are judged. This is not a scan or facsimile; it has been updated in modern English for easy reading and has an active table of contents for electronic versions.

The Hands of the Living God Marion Milner, 2010-09-13 This is a book about art and writing about art about emptiness, breathing, ordinary language, mysticism, the body, the sexes, childhood, parenting, impersonality, God, theory, exchange, change, tact, forms of inattention, belief, scepticism.
