**La raison des signes** Stella Georgoudi, Renée Koch Piettre, Francis Schmidt, 2011-12-09 Comment percevoir l'inconnu et contrôler l'inattendu Les Anciens ont tenté de répondre ces questions en interprétant des signes dans lesquels ils reconnaissaient des messages divins Ce recueil permet de comparer la diversité de leurs questionnements dans les sociétés polythistes ou monothistes de la Méditerranée antique Il interroge premièrement la construction rituelle des signes au sein des institutions divinatoires deuxièmement des phénomènes naturels spontanés qui apparaissent hors de toute institution ont néanmoins valeur de présages ou d'avertissements troisièmement l'intentionnalité manifestée par l'intervention divine dans l'histoire des peuples ou les vies singulières quatrièmement l'apologétique des signes dans des laboratoires philosophiques ou théologiques qui clarifient la tension entre données oraculaires et contrôle ritualisé des signes entre données réelles et

argumentations raisonn es visant neutraliser les injonctions du destin How to foresee the unknown and master the unexpected Ancient people tried to answer those questions by interpreting signs considered as divine messages In this volume the writers compare and examine this manifold questioning in the polytheistic and monotheistic societies of the ancient Mediterranean Sea In the first place it is shown how signs were ritually constructed within instituted practice of divination second how although some spontaneous natural phenomena appeared out of any instituted context may nevertheless constitute omens or monition third how the gods intervention may reveal a sort of intention in the course of national history or individual life finally the essays study the epistemology of signs at work in some philosophical or theological elaborations which may enlighten the tension between oracular evidence and ritual control of signs and between revealed facts and reasoning arguments intending to neutralize the injunctions of the divine

### **The First Christian**

**Historian** Daniel Marguerat,2002-09-05 As the first historian of Christianity Luke s reliability is vigorously disputed among scholars The author of the Acts is often accused of being a biased imprecise and anti Jewish historian who created a distorted portrait of Paul Daniel Marguerat tries to avoid being caught in this true false quagmire when examining Luke s interpretation of history Instead he combines different tools reflection upon historiography the rules of ancient historians and narrative criticism to analyse the Acts and gauge the historiographical aims of their author Marguerat examines the construction of the narrative the framing of the plot and the characterization and places his evaluation firmly in the framework of ancient historiography where history reflects tradition and not documentation This is a fresh and original approach to the classic themes of Lucan theology Christianity between Jerusalem and Rome the image of God the work of the Spirit the unity of Luke and the Acts

### **The Gospel of Matthew and the Sayings**

**Source Q** Frans Neirynck,Joseph Verheyden,R. Corstjens,1998 The present Bibliography covers the research on the Gospel of Matthew and on the Gospel Source Q from 1950 to 1995 The new volume has adopted the model of the previously published The Gospel of Mark A Cumulative Bibliography 1950 1990 It contains about 15 000 entries and is arranged

alphabetically by name of author the author's works are given in chronological order Each entry includes the complete bibliographical references information about reprints new editions and translations and summary indications of the content Gospel passage subject The companion volume furnishes detailed Indexes of Gospel Passages and Subject matters related to Mt and to Q All indexes are prepared by J Verheyden The Bibliography completes the series of Leuven repertories on the Gospels published in BETL 82 John 1988 88 Luke 1989 and 102 Mark 1992      **The Gospel according to Mark** Camille Focant, 2012-07-06 The world to which the Gospel of Mark introduces its reader is a world of conflicts and suspense enigmas and secrets questions and overturning of evidence irony and surprise Its principal actor Jesus is perplexing in the extreme He is evidently so for the religious authorities who oppose him but also for his disciples who shift from incomprehension to opposition and flight Questions of meaning life and death good and evil are continually broached This narrative is a subtle invitation to enter into a new world that of the coming Reign of God in which the first are last and whoever wants to save his life must lose it This commentary on the Gospel of Mark has been enthusiastically reviewed in the French edition as one of the best current commentaries on Mark As a narrative critical commentary it favors an interpretation of the Gospel that tries to grasp the dynamic of the text taken as a whole Even if the technical vocabulary of narrative analysis is not used and the main results of the historical critical criticism particularly those of redaction criticism are not neglected as the notes will reveal it is narrative criticism that guides the proceedings      **Bibliography of French Bibles** Bettye Thomas Chambers, 1983 Supplement serves as an update of the original work maintains the format of the Bibliography transcription of the title page sometimes illustrated bibliographical description references locations of copies brief commentary on the edition especially on the version of the text it represents but with almost double the number of copies and locations found in the original work more than 50 newly discovered editions or issues more than 20 ghosts and three new appendices Provided by publisher      **Do We Still Need Inspiration?** Matthieu Richelle, Camilla Recalcati, Martijn Beukenhorst, 2023-11-20 The concept of inspiration is part and parcel of the theological tradition in several religious confessions but it has largely receded to the background if not vanished altogether in the discussions of biblical scholars The question Do we still need inspiration might well reflect the perplexity of many exegetes today Systematic theologians for their part often further their own reflections on the subject independently of developments in the field of exegesis with the risk of remaining purely theoretical Biblical research in the last decades has been marked by new insights about the nature of the biblical texts stemming from the study of their inner plurality insofar as they combine and sometimes intertwine conflicting theologies of their textual fluidity and of their reception Can these new insights be integrated into a theological reflection on the notion of inspiration These questions are often explicitly raised about the Jewish and Christian Scriptures but they also prove increasingly relevant for Qur'anic studies This volume addresses them through contributions from exegetes of the Bible and of the Qur'an and systematic theologians      The Gospel of Judas in Context Madeleine Scopello, 2008-08-31 The papers gathered in this

book were presented at the First International Conference held in Paris University of Sorbonne October 27th 28th 2006 devoted to the newly discovered Gospel of Judas preserved in the 4th century Coptic Codex Tchacos These essays explore several crucial literary historical and doctrinal issues related to this gospel composed in the second half of the 2nd century This unexpected discovery sheds a new light on the role attributed to Judas by some Gnostic Christian movements A hotly debated question is precisely the significance of Judas in this gospel hero or villain Special attention is given to the sources Greek Jewish Christian and even Iranian used by the unknown author This book will be of special interest for historians of late Antiquity religions and scholars in New Testament studies Gnosticism and Coptic literature      **A Shorter French Course** William Henry Fraser, John Squair, 1913      *The Liturgical Year* Adrien Nocent, 1977 Follows a three part pattern 1 biblical and liturgical reflections on the season 2 the season s structure and themes 3 suggestions from the past
