Roadmap to the Ohio Graduation Test: Mathematics Diane Perullo, 2005-11-15. As the stakes get higher, The Princeton Review continues to prepare students for success. Students must now meet performance levels on all five of the Ohio Graduation Tests in order to receive their diplomas. Passing rates for field tests are currently 63 percent for mathematics and 75 percent for reading. Now more than ever before, students will benefit from these essential guides. Many students don't get the preparation they need to ace the mathematics and reading exams, and that's why the experts at The Princeton Review have thoroughly researched these tests to provide the most comprehensive instruction on the market. Each book contains two full-length practice tests that are just like the actual exams so students can get all the preparation they need to ace the exams and earn higher grades in school.
