In addition to workshop participants we also invited contributions from leading academics and practitioners who were not able to attend. As a result the chapters herein represent a collection of research contributions, monographs and case studies from a variety of disciplines and viewpoints. On the academic side alone chapter authors include faculty members in supply chain and operations management, marketing, industrial engineering, economics, computer science, civil and environmental engineering and building construction departments.

Bounce Back From Bankruptcy 5th Edition Paula Langguth Ryan, 2025-09-02
For 25 years *Bounce Back From Bankruptcy* has remained the most popular book for rebuilding your finances and building a positive net worth whether you struggled with your decision to declare bankruptcy, have sworn off credit or are back in debt again. Embrace this opportunity to build a foundation of financial security and use credit in ways that serve you and not your creditors. From this day forward you can navigate the financial course of your life to create financial freedom and avoid the spiraling trap of debt. In this fully revised and updated 5th Edition you will discover the immediate steps to raise your credit score instantly and create a specific workable plan to pay off any remaining debt, set and meet your financial and life goals faster with credit savvy moves and avoid incurring debt or being strapped for cash. Get credit after bankruptcy the right way including strategies for selecting the best credit card, car loan or home mortgage while also avoiding identity theft, resolve current financial hardships with legal, ethical and proven debt busting strategies, put your money to work for you allowing you to thrive with or without credit, building a stable foundation and creating financial breathing room. The fast track focused on getting new credit as quickly as possible after bankruptcy isn't sustainable. As I often say you can't eat your credit score. Instead follow the path outlined in this book to permanently break the patterns that led to your bankruptcy. These strategies have worked for me and countless others who have declared bankruptcy and are determined to create financial security and solvency. Let them work for you.

Cybercrime H. Thomas Milhorn, 2007 *Cybercrime: How to Avoid Becoming a Victim* is a nuts and bolts how to guide for the typical home computer user. It addresses the various crimes being committed via the Internet and gives instructions on how to avoid becoming a victim of each. The chapters dealing with individual cybercrimes are laid out in a format consisting of a discussion of the basics of the crime followed by real life examples of the particular crime and then things computer users can do to avoid becoming a victim of the crime. Also included in the book is a chapter on the role of organized crime in Internet fraud and another chapter on Internet hoaxes. In addition an appendix gives information on where to report various cybercrimes and another appendix gives definitions of cybercrime terms. To illustrate specific crimes over 200 actual case reports are used.
