

Sonnet 18 (Shall I compare thee to a summer's day?)

By William Shakespeare

Directions: Work to paraphrase the poem into its literal meaning, identify the examples of figurative language and/or poetic devices, and determine the tone of the poem and the poem's theme.

How to analyze figurative language:

1. **Identify and state the type of figurative language** is being used. (Simile, metaphor, personification, hyperbole, or alliteration)
2. **Explain why it is an example of that device.** If it is a comparison, include both the **tenor** and the **vehicle**. The **tenor** is the subject of the comparison, the **vehicle** is the image or idea that represents the subject.
3. **Explain the idea the writer is expressing through the language.** Don't just define the term, explain how and why it is used.

Shall I compare thee to a summer's day? Thou art more lovely and more temperate: Rough winds do shake the darling buds of May, And summer's lease hath all too short a date: Label the rhyme scheme:	Lines 1-4 (Vocabulary): Define the following: Temperate: Lease: Art (not the subject):
Line 1: Type of figurative language: Tenor: _____ Vehicle: _____	Line 1: What is "thee"? What are two possible options?
Line 4: (Figurative Language) Type of figurative language: Why is "summer's lease" too short?	Whole Stanza: Why do you think the speaker chose summer to make the comparison?

Ltf Sonnet 18 Worksheet Answer Sheet
