Highways leading south out to the cities are crowded by night. Buses, a constant flow of cars pass. The noise is constant. The highway leads to a road of the typical city and suburbs.

Reproductive health programs that are designed to increase the number of women participating in family planning are more likely to succeed if they also address the barriers to contraceptive use, such as lack of information, access, and social support. This is especially true for women who are poor, who live in rural areas, and who are young.

² The concept of the *reluctant hero* has been the subject of extensive scholarly discussion in the field of American literature. In general, this concept has been defined as a hero who is reluctant to accept the role of a hero and who is often reluctant to accept the role of a leader. This concept has been used to describe a wide range of characters in American literature, from the reluctant hero of the American West to the reluctant hero of the American South.

WARNING

Abstract: This paper discusses the importance of the role of the state in the development of the economy. It argues that the state should play a more active role in the economy, particularly in the areas of infrastructure, education, and health care. The paper also discusses the importance of the role of the private sector in the economy, and the need for a balance between the two.
