A Practical Guide to Interuniversalism Talla Parj, 2022-02-24 Interuniversalism is a science-based mystical practice based upon direct experience. It is the purpose and the ultimate goal of this practice to raise our collective consciousness to heal humanity at every level, answer basic questions about creation, and help humanity walk the path to inner completion. The Higher Consciousness is the intelligence running the universe. It is possible to receive visions, knowledge, and certain abilities through connecting with the Higher Consciousness. Connection with the Higher Consciousness through Interuniversalism is very practical. The first step taken in this practice is to manifest the ability to heal. The Higher Consciousness will help prevent, control, or completely cure the physical, mental, or psychological problems of the recipients. *A Practical Guide to Interuniversalism* is a translation of the original version of Interuniversalism. Erfan Halgheh. This handbook is a guide for students of this unique practice. It is also a teaching guide for those who are already masters in this tradition. For the general public, this is a book of knowledge. However, to activate the links shared in this mystical practice, registration in the course is required. *The New Meditation Handbook* Kelsang Gyatso, 2009 Perfect for both beginners and experienced meditators, this practical guide offers an introduction to the expansive inner world of meditation, as well as a series of 21 step-by-step meditations leading to increasingly peaceful and beneficial states of mind, which together form the entire Buddhist path to enlightenment. By following simple meditation instructions, readers can experience the inner tranquility and lightness of mind that comes from meditation to reduce life's difficulties and bring greater happiness for oneself and others. Clear and relevant meditation break practices are revealed so readers can integrate the meditations into their daily activities to reduce tension and improve relationships.
