Luzzatto,2018-06-05 From the author of The Secret Life of Your Blood Sugar comes a practical guide to reversing type 2 diabetes The results submitted by Newcastle University Professor Roy Taylor at the European Association for the Study of Diabetes meeting in Lisbon on September 11 2017 conclusively prove that type 2 diabetes can be reversed If you are reading these lines you want to reverse your diabetes YOU Can Do It There are many reasons why well meaning people including

your nearest and dearest will do all they can to discourage you from trying to reverse your type 2 diabetes They think that reversing diabetes may be possible but they don't believe that you have it in you to do it They worry that you may harm yourself attempting it They have tried to fight their own diabetes and have failed so if you succeed what will that say about them They don't believe that it can be done not because they know anything you don't know but on the strength of unsupported generic statements they found on the web or based on things they have heard They are wary of the changes that you may have to make But in most cases type 2 diabetes can be reversed as you will learn if you read this book To beat diabetes you need a program that is personalized sustainable and enjoyable There is no one size fits all solution and if you try to follow rules prescribed by the experts you're bound to fail This book will give you the tools you need to engineer your own solution one that you can take for the long haul and feel good about which will guide you on the path to reversing diabetes

The Facts This book is not a theoretical dissertation It relates my personal experience I started out with a startling 12.1% HbA1C and 312 mg/dl fasting glucose Now my HbA1C is 5.7% and my fasting glucose is in the 90s without any diabetes medication You can do the same To learn how download a free sample of this book

A word of warning This book is not for you if you expect to find a magic formula between its pages that will let you effortlessly fix your problem It will tell you many things that you need to know it will give you important information and will teach you how to use it to pursue your own solution But no miracles are included Getting well comes with hard work

No Quick Fix While eating right is a central component of every cure it is not sufficient To make it work you must make a number of changes to your day to the way in which you approach exercise stress and other factors You need a plan that YOU can work with and which is right for YOU I have come up with a simple way to find the path that was right for me and I have collected in this book all the information you need to find your own Find out if you can reverse your diabetes It only took me less than two weeks to realize that I was on the right path Don't you want to find out if you can do it too Not everybody can succeed It takes strength of character and resolve to do it but if you believe in yourself you can reverse type 2 diabetes

Fighting your disease instead of giving in to it is a big decision so you shouldn't make it on the basis of this short explanation Click the preview link of the book provided here and read the free pages with all the information they provide and then make a decision Whether you decide to buy the book or not I sincerely hope that you will find your path to reversing your type 2 diabetes
