Written by seasoned Internet security professionals, this book helps you understand the motives and psychology of hackers behind these attacks, enabling you to better prepare and defend against them. Learn how inside-out techniques can poke holes into protected networks. Understand the new wave of blended threats that take advantage of multiple application vulnerabilities to steal corporate data. Recognize weaknesses in today's powerful cloud infrastructures and how they can be exploited. Prevent attacks against the mobile workforce and their devices containing valuable data. Be aware of attacks via social networking sites to obtain confidential information from executives and their assistants. Get case studies that show how several layers of vulnerabilities can be used to compromise multinational corporations. *How to Change Your Drinking* Kenneth Anderson, 2010. Preface by Alan Marlatt, introduction by Patt Denning. Cover **The New Email Revolution** Robert W. Bly, 2018-06-19. Practices strategies and templates for optimizing your email use. The average business employee spends more than thirteen hours a week reading and responding to email. That's 675 or more hours over 28 days a year spent on email. Wouldn't it be nice to get some of that time back? In *The New Email Revolution* Robert W. Bly draws from decades of experience sending millions of emails to help you take that time back. With this book in hand, you will be able to quickly and easily find templates you can use to create emails for dozens of different situations. Know the right wording and optimal word length for email communication. Get recipients to read and respond to your email messages. Understand when it is legal and not legal to send email to a person you do not know. Incorporate photos, graphics, sound, and video into your email messages. Measure the deliverability, bounce rate, open rate, and response rate to every email you send. Write clearer, more engaging, more persuasive email copy for every occasion. Get better results in less time with *The New Email Revolution*. *Subject to Change* Peter Merholz, Todd Wilkens, Brandon Schauer, David Verba, 2008. To achieve success in today's ever-changing and unpredictable markets, competitive businesses need to rethink and reframe their strategies across the board. In *Subject to Change: Creating Great Products and Services for an Uncertain World*, Adaptive Path, a leading experience strategy and design company, demonstrates how successful businesses can and should use customer experiences to inform and shape the product development process from start to finish. Publisher's website **Free** Chris Anderson, 2009-06-22. The online economy offers challenges to traditional businesses as well as incredible opportunities. Chris Anderson makes the compelling case that in many instances, businesses can succeed best by giving away more than they charge for. Known as Freemium, this combination of free and paid is emerging as one of the most powerful digital business models. In *Free*, Chris Anderson explores this radical idea for the new global economy and demonstrates how it can be harnessed for the benefit of consumers and businesses alike. In the twenty-first century, Free is more than just a promotional gimmick. It's a business strategy that is essential to a company's successful future. **The Design of Sites** van Duijne
