

HOW TO LEARN ANYTHING FASTER?

STOP MULTITASKING

Multitasking causes new information to go to the wrong part of our brain. Moving back and forth between task wastes productivity as our brain can't pay attention to multiple tasks at the same time.

DON'T REINVENT THE WHEEL

Find someone who already master the skills you are willing to learn and model the path they already followed. This way you can learn new things in a shorter period of time.

LET YOUR MIND WANDER

Schedule some quality time to let your mind wander, as healthy breaks allow your brain to rest and avoid creative blocks. Going for a walk or having a long bath are some good examples of mind-wandering.

REPETITION, REPETITION, REPETITION...

The more attempts you make to learn something, the more the brain reinforces the necessary skills until you can do it subconsciously.

RELATE NEW LEARNING TO PRIOR KNOWLEDGE

Allowing your brain to create connections between new information and what you already know will help you remember it later.

Guide Book of How to Obtain Pureness of Heart Required to Enter Heaven J. Phillips Crute, 2022-05-04

Even if you think you don't need any help with your life, I am sure there is someone in your orbit that you love that does. By understanding the principles and information in this book, you can help them. And I believe almost everyone has someone they wish to help. It is frustrating when you want to help but don't know how. That might not be enough reason for you to want to buy this book. So let's go into what you learn from it. We all are governed by the rules of the spirit world. I call these rules AVP, the Alternate Viewpoint System. You will not only learn how the spirit world operates but what to expect when you get there. I think that piece of information would be valuable since fear of death is really fear of the unknown. This book was my task from before my previous life as Elizabeth Reilly. Yes, my veil was lifted in 1989. I had a need to know, you see. So that brings us to the most important obstacle to using AVP. The entire system is predicated on the FACT that we have all lived before. That's why I couldn't proceed until Sharon Holt did her job. Yes, that was a planned event. When you accept the fact that you have lived before, you can also accept that you are in the proper place to learn lessons, the real reason we are here. That means you don't need to be jealous, envious, covetous or do anything harmful against anyone. If you read this book, you will know how to fight temptation and desire. You will learn to purge you past of negative traits. Then of course you will learn how to purge the negative out of your heart and replace it with love, kindness, humility and forgiveness, vital for a pure heart and required to get into heaven.

As recognized, adventure as well as experience about lesson, amusement, as without difficulty as promise can be gotten by just checking out a ebook **How To Do Anything Guide** next it is not directly done, you could assume even more as regards this life, something like the world.
