Fishback, Jonathan Rose, Kenneth Snowden, 2013-10-04 The urgent demand for housing after World War I fueled a boom in residential construction that led to historic peaks in home ownership Foreclosures at the time were rare and when they did happen lenders could quickly recoup their losses by selling into a strong market But no mortgage system is equipped to deal with credit problems on the scale of the Great Depression As foreclosures quintupled it became clear that the mortgage system of the 1920s was not up to the task and borrowers lenders and real estate professionals sought action at the federal level Well Worth Saving tells the story of the disastrous housing market during the Great Depression and the extent to which an immensely popular New Deal relief program the Home Owners Loan Corporation HOLC was able to stem foreclosures by buying distressed mortgages from lenders and refinancing them Drawing on historical records and modern statistical tools Price Fishback Jonathan Rose and Kenneth Snowden investigate important unanswered questions to provide an unparalleled view of the mortgage loan industry throughout the 1920s and early 30s Combining this with the stories of those involved the book offers a clear understanding of the HOLC within the context of the housing market in which it operated including an examination of how the incentives and behaviors at play throughout the crisis influenced the effectiveness of policy More than eighty years after the start of the Great Depression when politicians have called for similar programs to quell the current mortgage crisis this accessible account of the Home Owners Loan Corporation holds invaluable lessons for our own time *How to Get Out of Foreclosure with a Loan Modification* HowExpert, Sherri Adame, 2016-09-21 If You Want To Learn How to Get Out of Foreclosure with a Loan Modification Then Get This Potentially Life Saving Book A home loan remodification is a method you may qualify for that allows you to get current again If you are behind several payments you may be in fear of foreclosure Perhaps that process has already been started and you are afraid you will lose your home A loan remodification can allow you to re age your loan and get a payment you can afford with your current financial circumstances Instead of trying to come up with a lump sum of money to save your home you only have to focus on being able to meet that monthly mortgage payment The process to qualify for a home loan remodification takes time and you have to follow the steps or you can be denied for failure to comply Once your application is in motion the foreclosure process will be put on hold This gives you and the mortgage company time to go through all of the paperwork and see what can be done Most lenders want to extend a remodification
