Why I Shout Al Brown, 2021-06-30 Here's a story of a child who lived in the bar scene from a very young age and grew up attending church regularly I then ventured into the street life of Omaha having to learn that life isn't a game as I thought While facing several challenges I soon found out that the choices I make can make the difference between life and death So thank you for choosing to follow me through my journey Open your hearts and minds as you'll begin to realize that there is a better life than what we tend to think We can live life to the fullest but we can't make it on our own I've written this book in hopes that through my life experiences it may be able to encourage others that if you don't like the way your life is going it can be changed by the renewing of your mind We can make lemonade out of lemons And I understand that by writing this book people may see me in a different light that could be challenging for them to recognize me as the person I have become If that is you well you have picked the right book I have always been the type of person who speaks his mind and now that mind is the mind of transformation So come and follow me as I show you how my life has changed from a thug life to moving toward an abundant life full of love joy peace purpose power and destiny in order to find out why I shout
