The Critical Thinking Effect Thinknetic,2021-11-08 If you keep making mistakes and just can t seem to reach that next level Then keep reading Did you know that if you didn t listen to Mozart as a child you might be 8 10 IQ points dumber than you were supposed to be Okay not really But during the 1990s a generation of children was forced by their parents to listen to Mozart Because a study found it made children smarter However study after study couldn t replicate those results later Eventually researchers concluded that listening to ANYTHING while working resulted in higher intelligence testing How come did the idea become established as fact Because people fail to think critically When your team your boss or your company depends on you to make the correct decision time

and time again you literally can't afford to be wrong. It could cost a client money. It could cost your company that client. It could cost you your job. The good news is you have the key to fix your problems. It's a skill you just need to get better at using it. That's why we wrote *The Critical Thinking Effect* to take you from good to great. It's packed with examples, exercises, and actionable steps to get you thinking clearer today. Here's just a smattering of what you'll find inside: How to ethically brainwash your subordinates; see how a manager employed critical thinking to get his team to do a COMPLETE 180 on a project they SWORE they'd never work on; How to spot lies, sift through deceptions, and have the confidence to know you've made the best decision possible; How to use X-Ray vision on social media and news to tell fact from fiction; Why you shouldn't name your child Wolfgang; the dangers of misinterpreting data too literally; How failure to think critically caused an experienced detective to miss a literal murder and what we need to learn from that real story; The 10 most common cognitive fallacies and traps listed by a Cambridge Ph.D. how many are you committing on a daily basis; How to have better relationships with your loved ones by recognizing their BS and your own; What dueling ice cream shops can teach you about lack of due diligence and much, much more. If you didn't listen to Mozart when you were in diapers, the good news is you've still got a chance to develop critical thinking ability. But if you just can't break through to that next level in life, you won't magically develop the ability to make better decisions. Do you want to stop second-guessing yourself, make better decisions under fire, and be the rockstar of your team? Then supercharge your brain and get to that next level ASAP. How To Think Critically: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. How To Think Critically : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
