How To Think Right Rants From A Christian Conservative Comedian:

How to Think Right Brad Stine, 2008-01-29 Good clean humor about a dirty word liberalism Watch out blue staters Brad Stine is about to spoil your party This conservative Christian comedian doesn't use profanity to get laughs just good old fashioned common sense In **How to Think Right** Stine takes aim at a host of sacred cows delivering hilarious and insightful commentary on topics such as **How Liberals Have Created a Nation of Wusses** **How Bumper Stickers Can Teach You Religion and Science** and **Why Dangerous Toys are Good for America's Kids** For anyone who's had enough of latte drinking Volvo driving politically correct liberal America **How to Think Right** will come as a breath of fresh air if only you can stop laughing

That's Not Funny Matt Sienkiewicz, Nick Marx, 2024-03-26 A 2022 Best Comedy Book Vulture A rousing call for liberals and progressives to pay attention to the emergence of right wing comedy and the political power of humor Why do conservatives hate comedy Why is there no right wing Jon Stewart These sorts of questions launch a million tweets a thousand op eds and more than a few scholarly analyses **That's Not Funny** argues that it is both an intellectual and politically strategic mistake to assume that comedy has a liberal bias Matt Sienkiewicz and Nick Marx take readers particularly self described liberals on a tour of contemporary conservative comedy and the right wing comedy complex In **That's Not Funny** complex takes on an important double meaning On the one hand liberals have developed a social psychological complex it feels difficult even dangerous to acknowledge that their political opposition can produce comedy At the same time the right has been slowly building up a comedy industrial complex utilizing the humorous irony laden media strategies of liberals such as Jon Stewart Samantha Bee and John Oliver to garner audiences and supporters Right wing comedy has been hiding in plain sight finding its way into mainstream conservative media through figures ranging from Fox News's Greg Gutfeld to libertarian podcasters like Joe Rogan **That's Not Funny** taps interviews with conservative comedians and observations of them in action to guide readers through media history text and technique You will find many of these comedians utterly appalling some surprisingly funny and others just plain weird They are all however culturally and politically relevant the American right is attempting to seize spaces of comedy and irony previously held firmly by the left You might not like this brand of humor but you can't ignore it

Live from Middle America Brad Stine, 2006 Of the hundreds of comedians I've seen Brad Stine is the best side splittingly funny smart and edgy Rick Warren author of **The Purpose Driven Life** Hilarious and thought provoking Brad Stine is a comedian who hails from all places Middle America So what happens when a conservative who is convinced that America is the greatest country on the planet except for all the idiocies that have infiltrated it at the callous free baby soft hands of liberals gets the opportunity to rant on the page By products of liberal lunacy such as bump signs on our highways airbags for safety the decline of tobacco use the contagion of Starbucks and garden variety political correctness become grist for Stine's comedic mill Laugh out loud funny and acutely insightful **Live from Middle America** will prove irresistible to those who recognize themselves in its pages and marks the publishing debut of

which were open minded about Comedy the rest misjudged me on the mention of the word Comedy When I did a survey of what people thought about Comedy I noticed that indeed many people have the wrong idea about Comedy In this book I break it down what Comedy is all about Comedy is a very influential art of Teaching I know you may have thought that Comedy is all about healing but tell me have you not heard the following phrase before Music heals Well if music heals and Comedy heals are we saying that music and Comedy are the same It doesn't make sense The reason why Comedy seem to be healing and also music is because they may have something in common which is Words of Hope that is what heals it is the Word that heals So I reveal what exactly Comedy is it is as simple as this A Comedian is A Teacher the same way you have to work the soil in at the garden with a fork spade before you can plant some seed Comedy works as the fork spade to the heart of man Comedy prepares the heart to receive a message and lock it in forever I mean something like the best time for a man to propose to a lady would be after he made her laugh now if the man failed on such an occasion well there is no hope Notice how powerful Comedy is laughter is like evidence that what the Comedian Teacher said is really true therefore you cannot choose what to believe from what the Comedian will have said but your heart will believe because you laughed I am seeing that the enemy has begun indoctrinating humans through his servants the vulgar Comedians of the world the false teachers I held my first time on stage in 2014 and I was doing Comedy at the night clubs and at some point I felt strongly in my spirit that somethings were not what they seemed and when i had experienced the industry at its roots level that is when God showed me signs that i should leave and bring Comedy to church So therefore i decided to expose the dark side of Comedy when i realized that people were duped through Comedy The first chapter of the book is The Code of Humor yes Comedy has a formula and every joke fits in the formula I therefore break down some jokes of the most well known and respected Comedians in the world in a chapter I named Hammering Jokes just to show off that I am not speculating Comedy but I know it I have made people laugh on stage and I understand my craft I also talk about the relation between the art of RAP and Comedy You would say RAP is a light version of Comedy There is a chapter named The Message From God here i share an experience where we involved God in this matter I was confused at some point and I wanted to hear God's opinion on the industry of Comedy pertaining to what i was discovering and God really did respond and spoke to a close brother in the Lord God spoke about a mission or mandate that I will accomplish in this industry and He also spoke about the future of the industry I also have a Chapter where I explain why as a Comedian I need to do my performance at church and not at the clubs as opposed to what many Christians were suggesting I also have a chapter on Improv Comedy which i believe might be the future of Comedy as we know it today Improv Comedy is when a Comedian gets to the stage and speaks jokes from the top of his head without having prepared prior to the show It is really amazing when successful I just feel like one will really breath long and change his or her mind about Comedy after having read the book I think it will change the perception of many people towards Comedy forever
