Nick of Time M.G. Herron, 2025-04-14 This timeline is set to expire When Gunn investigates a blood soaked crime scene without a body he stumbles into a time torn battle for Earth s future Now he s caught between warring factions a charismatic alien revolutionary promising Earth s freedom and the galactic Federation s inscrutable iron grip The key to it all is a temporal device of alien manufacture It can flood streets with water from the past or reshape humanity s future and it s fallen into enemy hands With the help of a rogue Peacekeeper an underground resistance and his quick wit Gunn races to recover the stolen device before time runs out Because someone s about to rewrite Earth s history and humankind might not survive the edit Nick of Time is the explosive fourth book in The Gunn Files a fast moving science fiction joyride that combines noir detective fiction with humorous sci fi in the tradition of John Scalzi and Douglas Adams *The Fugitives Book Club* Walter Pittman, 2001-12 Contrapose Sloane Swinton, 2022-03-04 Publisher s Note This story contains vignettes of abuse against a minor Reader discretion is advised For the vast majority their dreams will prove to be elusive Regardless of how hard they work to keep them alive Which brings us to the curious case of Emma Avancena A woman who for all intents and purposes has never believed in the power of her dreams having had hers cut short by personal tragedy during her adolescence That tragedy turning her from a precocious Texas cowgirl with a fondness for all things ladybugs into a detached killing machine whose entire existence could best be described as indifferent Regardless of who her targets are or what they ve done Avancena excels at doing what she does best WHAT SHE S TOLD To her handler she s a dream come true Someone who never asks questions and who always gets the job done She s the trigger you re never afraid to pull The Provocador While similarities between a firearm and Avancena certainly do exist one stark difference remains the fact that she isn t an object that is totally devoid of emotions to be used as others see fit The trigger you re never afraid to pull That is until the trigger decides she no longer wants to be And she comes without a warning **CSO**, 2005-04 The business to business trade publication for information and physical Security professionals **Capricorn Program** Victor G Davis, 2015-05-05 Mr Davis lives in New York City a father of three Advent reader of Pol Sci and current events books and magazines A New York sports fan he despises all teams from Boston *Risks and Security of Internet and Systems* Joaquin Garcia-Alfaro, Jean Leneutre, Nora Cuppens, Reda Yaich, 2021-02-11 This book constitutes the proceedings of the 15th International Conference on Risks and Security of Internet and Systems CRI-TIS 2020 which took place during November 4-6 2020 The conference was originally planned to take place in Paris France but had to change to an online format due to the COVID 19 pandemic The 16 full and 7 short papers included in this volume were carefully reviewed and selected from 44 submissions In addition the book contains one invited talk in full paper length The papers were organized in topical sections named vulnerabilities attacks and intrusion detection TLS openness and security control access control risk assessment and security knowledge risk analysis neural networks and Web protection infrastructure security and malware detection Panacea Professor of

Psychology Robert J Thompson, Bob Thompson, 2002 Robert J Thompson's PANACEA explores the realms of mystery murder politics relationships and humor ultimately revealing the rewards of growing up selflessly A lawyer himself Thompson writes about a young Chicago attorney named Rick Morrissey who hopes to find a more fulfilling personal and professional life while on an extended vacation to the Florida panhandle where he spent his formative years Rick like many single men his age is a 31 year old man in a 22 year old's body with an 18 year old's psyche holding everything worldly yet personally bankrupt because of his chosen lifestyle says Thompson The book follows Rick in his travels down south where he has a chance meeting with Delaney Chase a young woman who never had a chance to be a child due to her difficult upbringing in the small town of Panacea Florida Although Delaney was raised right in the southern way she is tormented by the mysterious death of her father in 1988's Hurricane Gilbert when she was 10 years old Further complicating Delaney's childhood was her mother's daily battle with alcoholism and placement in a psychiatric institute due to mental illness and schizophrenia after her husband's death Delaney's father Pally Chase had been a commercial fisherman and was well known locally before his death Not only did Pally have a fine reputation as a shrimper he was also a formidable opponent to political and corporate oil giants as a political activist who fought oil drilling efforts off the Florida panhandle in the Gulf of Mexico costing the oil industry millions of dollars Rick learns of the strange circumstances surrounding the death of Delaney's father which happened immediately after Pally had successfully blocked oil drilling by the industry's juggernaut Copperhead Oil Company Delaney's entire life has been spent on the Florida panhandle except for her perfunctory visits to see her mother in an Atlanta mental institute Her fateful encounter with Rick sets the scene for a modern thriller romance and finally closure over Pally Chase's death Woven among the chapters are colorful and often times humorous characters of the current south who provide interesting twists to the story line adding insight discovery and mystery PANACEA is as timely as current headlines as politicians battle over the issue of oil drilling in the same Gulf region that provides the setting for this book says Thompson It is laced with factual material discussing the authority for drilling in the Gulf of Mexico along with possible consequences that could result from such activity Digital Technology: The World Of Our Own Binayaka Mishra, 2022-05-12 Digital

Transformation often referred to as DX or DT IT modernisation for example cloud computing to digital optimization to the creation of new digital business models are all examples of digital transformation In general it refers to the use of digital technology to significantly enhance or create new business processes So what exactly is digital transformation for businesses It is the process of understanding consumer needs and using technology to enhance the end user experience End users may be either customers or workers and many businesses must consider both In the marketing department for example digital transformation may generate more high quality leads and help firms get closer to their customers while spending less money than traditional analogue marketing tactics Aside from experimenting with new technology digital transformation entails rethinking your current approach to common challenges A transition does not always have a clear finish since it is an

evolution When it comes to the topic what is digital transformation the MIT Sloan Management Review a journal that focuses on management transformations noted Digital transformation is best viewed of as continuing adaptation to a constantly changing environment This implies that businesses must always seek methods to enhance the end user experience This might be accomplished via increasing on demand training migrating data to cloud services using artificial intelligence and other methods
