How To Use Motion Guide In Flash:

Focal Easy Guide to Flash MX 2004 Birgitta Hosea, 2013-07-31 Confused by ActionScript? Want to get to grips with creating interactive graphics and animation in Flash quickly? Whether you are a new user or a professional illustrator, designer or animator experienced in other animation and effects packages, this highly visual color book will be all you need to get you up and running with the latest powerful upgrade, Flash MX 2004. Birgitta Hosea uses tried and tested material based on her teaching, breaking down the software into its main components and providing lots of screenshots and simple step-by-step instructions. This encourages you to get the most out of the programme and fully develop your skills whilst allowing those with particular needs to jump ahead. The structure and style, influenced by her commercial and creative expertise, allows you either as a student or professional to dip in and out according to the needs of your specific projects but also allows the exploration of the programme's capability when you have more time. It is a generalist, accessible visual and a truly introductory guide written from the perspective of a designer with a thorough coverage of the basic features of Flash MX 2004 without going too in depth into coding with ActionScript. Birgitta Hosea is a motion graphics artist and Course Director of the London Animation Studio at Central Saint Martins College of Art and Design. Her experience ranges from designing adverts and promotional materials to working as an Art Director on pop promos and short films.
