

My Autobiography - Example

5 pages | 1099 words

I am Gene Geralde Gonzales, I was born on May 2, 1971 in Baguio City, Philippines. We are seven siblings in the family. I am the seventh child. My mother's name is Fe Geralde Gonzales, she is from Cebu City and my father's name is Mario Dy Gonzales, he is from Legaspi, Albay. I took my elementary education as well as my secondary education at Saint Louis School of Campo Filipino located at Naguillian Road Baguio City. I had a happy childhood living with my parents and my siblings. During weekends, we usually spend our day in the park. We helped each other in our daily activities. My family was a happy and a loving family.

During my high school days, I usually spend my free time in the library together with my friends. Reading has been an important part in my life. I have always loved reading since reading entertains, educates and informs. Reading interesting novels such as fiction books has been part of the entertainment aspect of my reading history. I love the way stories are told in books and as I read, I often get overwhelmed and enter the scene being explained in the story. At times I feel I am watching live scenes. This entertains me!

Our school was exclusively for girls and because of that I find it hard to communicate with the opposite sex. We usually spend our summer vacation in the hometown of my mother, which is located in Minglanilla Cebu City. My hobbies are reading books, biking, watching movies and also cross stitching. I also spend my free time hanging out with my friends.

My dream was to become a nurse. I was able to pass the entrance examination at Saint Louis University and I had my first year as a nursing student. I wasn't able to pass one of the major subjects so I had to transfer to another school. I had to take a summer class for my back subject at Pines City Educational Center and from that time I continued my studies and graduated in the year 1992 with a Bachelor of Science in Nursing. After graduation, I had my self review and took the exam for Civil Service Professional Level, wherein I was able to pass the exam. By the year 1993, together with my college friends, we went to Manila to have our review and took our board exam for nursing. While waiting for the result of the board exam, I worked as a volunteer nurse at Antamok Mines.

My interpersonal skills and nursing skills were developed during my stay at Antamok Mines Hospital. After I passed the Board Exam for Nurses, by the year 1994, I worked as a private duty nurse employed by Miss Cheen Tan, wherein I took care of her father, who was 82 years of age and with Parkinson's disease. I assisted him with his daily activities, bathed and fed him, and also made sure he took all his medications on time. My salary as a private duty nurse was not enough...

life writing Max Saunders explores the ways in which modern writers from the 1870s to the 1930s experimented with forms of life writing biography autobiography memoir diary journal increasingly for the purposes of fiction He identifies a wave of new hybrid forms from the late nineteenth century and uses the term autobiografiction discovered in a surprisingly early essay of 1906 to provide a fresh perspective on turn of the century literature and to propose a radically new literary history of Modernism Saunders offers a taxonomy of the extraordinary variety of experiments with life writing demonstrating how they arose in the nineteenth century as the pressures of secularization and psychological theory disturbed the categories of biography and autobiography in works by authors such as Pater Ruskin Proust Mark Rutherford George Gissing and A C Benson He goes on to look at writers experimenting further with autobiografiction as Impressionism turns into Modernism juxtaposing detailed and vivacious readings of key Modernist texts by Joyce Stein Pound and Woolf with explorations of the work of other authors including H G Wells Henry James Joseph Conrad Ford Madox Ford and Wyndham Lewis whose experiments with life writing forms are no less striking The book concludes with a consideration of the afterlife of these fascinating experiments in the postmodern literature of Nabokov Lessing and Byatt Self Impression sheds light on a number of significant but under theorized issues the meanings of autobiographical the generic implications of literary autobiography and the intriguing relation between autobiography and fiction in the period *Self-Observation in the Social Sciences*

Joshua W. Clegg, 2018-04-17 Notwithstanding the mythical demise of introspection self observation has always been an integral aspect of the social sciences In the century following the behavioral revolution psychology has seen a reduction not so much in the frequency as in the rigor with which self observation is practiced A great deal of self observation has been renamed or obscured as for example self report but this has served only to defer and impoverish important theoretical and technical work This volume which contributes to the development of a rigorous theory of self observation is organized around three general objectives to re animate a discourse on self observation through a historical analysis of various self observation traditions to outline and begin to address some of the unique theoretical challenges of self observation and to elaborate some of the technical and practical details necessary for realizing a program of research dedicated to self observation In the first section of the book three historians of psychology trace the evolution of self observation In the second three scholars who are currently working in contemporary traditions of self observation discuss the basic theoretical and practical challenges involved in conducting self observation research In the final two sections of the book scholars from the phenomenological and narrative traditions trace the history theory and practice of self observation in their respective traditions Self Observation in the Social Sciences continues the fine tradition set by Transaction's History and Theory of Psychology series edited by Jaan Valsiner It is of interest to psychologists and to those who study methodology within the social sciences
