Muddy People is not your average coming of age tale I loved this memoir of a young Egyptian Australian girl growing up Muslim It s a clear eyed fierce debut every word rings true Nadine Jolie Courtney author of All American Muslim Girl A quick clever debut that is like the best kind of cake warm sweet a bit nutty and made with so much love Alice Pung author of Unpolished Gem Sara is growing up in a family with a lot of rules Her mother tells her she s not allowed to wear a bikini her father tells her she s not allowed to drink alcohol and her grandmother tells her to never trust a man with her money After leaving Egypt when Sara was only six years old her family slowly learns how to navigate the social dynamics of their new home Sara feels out of place in her new school Her father refuses to buy his coworkers a ginger beer thinking it contains alcohol Her mother refuses to wear a hijab even if it would help them connect with other local Muslims And Sara learns what it feels like to have a crush on a boy that some classmates are better friends than others and that her parents are loving but flawed people who don t always know what s best for her despite being her strongest defenders For readers of Patricia Lockwood s Priestdaddy and Michelle Zauner s Crying in H Mart this heartwarming book about family and identity introduces a compelling new voice with a coming of age story that will speak to everyone who s ever struggled to figure out where they belong **Business World** ,2007 **Joy Unconfined** Ian Strathcarron,2015-02-03 Lord Byron s Grand Tour is recorded as impressions in his own letters and journals more methodically in the diary of his travelling companion John Cam Hobhouse and reflected poetically in the first two cantos of the epic poem that was to make his fame and start his legend Lord Strathcarron s re Tour follows in Byron s footsteps revisiting the places the poet visited two hundred years ago and comparing what he found then to what one finds there now At each point the re Tour meets today s equivalents to the kings consuls governors chieftains and gangsters that the Grand Tour met before it Witty and perceptive the re Tour reveals much about Lord Byron and much too about how the world has changed in two centuries **The Bulletin** ,2004 Indian Automobile Industry T.
