**Writing for Love and Money** Kate Vieira,2019-08-01 This book tells the story of how families separated across borders write and learn new ways of writing in pursuit of love and money According to the UN 244 million people currently live outside their countries of birth The human drama behind these numbers is that parents are often separated from children

brothers from sisters lovers from each other Migration undertaken in response to problems of the wallet also poses problems for the heart Writing for Love and Money shows how families separated across borders turn to writing to address these problems Based on research with transnational families in Latin America Eastern Europe and North America it describes how people write to sustain meaningful relationships across distance and to better their often impoverished circumstances Despite policy makers concerns about brain drain the book reveals that immigrants departures do not leave homelands wholly educationally hobbled Instead migration promotes experiences of literacy learning in transnational families as they write to reach the two life goals that globalization consistently threatens economic solvency and familial intimacy

Carnival Rawi Hage,2025-04-25 A stirring new masterpiece from the IMPAC Dublin Literary Award winning author of Cockroach and De Niro s Game In Carnival internationally acclaimed author Rawi Hage takes us into the world of Fly a taxi driver in a crime ridden apocalyptic metropolis Raised in the circus the son of a golden haired trapeze artist and a flying carpet man Fly sees everything taking in all of the city s carnivalesque beauty and ugliness as he roves through its dizzying streets in his taxi Fly is a reader too and when he s not in his taxi he is at home in the equally dizzying labyrinth of books that fills his tiny apartment His best friend is Otto a political activist who s in and out of jails and asylums mourning his dead wife and lost foster son On one otherwise tawdry night Fly meets Mary a book loving passenger with a domineering husband So begins a romance that is for Fly a brief glimmer of light amid the shadows and grit of the Carnival city Along with Otto and Mary Fly introduces us to madmen and revolutionaries magicians and prostitutes as he picks them up and drops them off traveling through a nightmarish town that is we can t help but notice a parable for our own debauched unjust world Wildly imaginative and darkly ironic Carnival is a magnificent achievement **Castillo V.
