

Franchisees

Our Franchisees are small business owners in their own right, uplifting their communities.

Who Our Franchisees Are

Our franchisees are key members of the local communities they serve as employers, service providers, business leaders and role models. We're always looking for talented, hardworking, energetic individuals who want to be a part of our growing, thriving Franchisee community.

Our Franchisees are essential to the McDonald's business model. They're also small business owners who uplift their communities and provide employment. We're implementing strategies that help improve diverse Franchisee representation and inclusion globally.

There's strength in the diversity of talent and ownership. Our growth must also be underpinned by inclusion - providing opportunities to Franchisees and removing potential barriers to entry for Underrepresented Groups.

That's why we support our industry-leading Owner/Operator Associations that help drive a more inclusive McDonald's. And it's why we support Franchisee DEI development, delivering resources that help Franchisees thrive while increasing access.

"As local entrepreneurs, our Franchisees connect McDonald's to communities around the world - their dedication brings employment opportunities, generational wealth, and delicious meals. It's why we're not alone \$100 million in financial assistance to help more entrepreneurs from diverse backgrounds with limited capital get started on their Franchisee journey."

- Chad Rogers, Vice President of US Strategic Franchising, McDonald's USA
