EBOOK: Developmental Psychology, 2e Patrick Leman, Andy Bremner, 2019-01-23 **EBOOK Developmental Psychology 2e** **The Street Savvy Sales Leader** Mark Welch, 2018-09-18 You are competing in a highly fragmented highly competitive marketplace where decision makers are more knowledgeable less risk averse and busier than ever As a result making your numbers is tougher and more challenging than ever You re trying to figure out how to get the attention of new customers and to add value along the sales process to close business And you re coping with a potentially underperforming and unengaged sales team despite investments in sales resources such as training and technology marketing content CRM and other tools to increase sales effectiveness But you like other sales leaders you talk with are not getting the payoff from these investments You see the data Businesses are spending more on training but there is little correlation to ROI ATD 2015 Without follow up and coaching mentoring salespeople fail to retain 80% to 90% of what they learned in training within a month Sales Alliance 2014 CRM holds a **EBOOK: Psychology 5e** HOLT, 2023-02-09 The fifth edition of Psychology The Science of Mind and Behaviour continues to build on its strong biopsychosocial approach and balancing of classical and contemporary theory The celebrated pedagogical design has been reinforced with additional pedagogical features and real world issues to offer an exciting and engaging introduction to the study of psychology The fifth edition has been fully updated to reflect new developments in the field and the scientific approach brings together international research and practical application to encourage critical thinking about psychology and its impact on our societies and daily lives Key features Brand New The Bigger Picture takes a step back and reflects on how a subject can be interpreted from different angles Replacing the Levels of Analysis feature the Bigger Picture explores not only the biological psychological and environmental levels but also cultural and developmental aspects as well Brand New Learning Goals and Review Questions encourage students to consider the core learnings of each chapter and critically assess their real world implications New and Updated Psychology at Work interviews from Psychologists in the field are now included in every chapter They provide a glimpse into their day to day work and the career path they have taken since completing a psychology degree Research Close Ups reflect new research and literature as well as updated critical thinking questions to encourage analysis and evaluation of the findings Current issues and hot topics such as Covid 19 fake news workplace psychology social media prosociality and critical perspectives of positive psychology prompt debates on the questions facing psychologists today Nigel Holt is Head of Department of Psychology at Aberystwyth University Wales Andy Bremner is Professor of Developmental Psychology and Head of Education at the University of Birmingham UK Michael Vliek is an affiliate of the University of Amsterdam The Netherlands and lectures at the University of Leiden The Netherlands Ed Sutherland is an Associate Professor in Psychology and Director of Learning and Teaching at the University of Leeds UK Michael W Passer is an Associate Teaching Professor at the University of Washington USA Ronald E Smith is Professor Emeritus of Psychology at the University of Washington USA

Educational Psychology Anita Woolfolk, Philip H. Winne, Nancy Ellen Perry, 2005-07 Communication and Educational Technology - E-Book Suresh Sharma, 2016-04-28 Communication and Educational Technology is precisely written as per the syllabus prescribed for the undergraduate nursing studies. It is useful as an introductory textbook for the postgraduate nursing students and can also be of help for the other health care professionals to understand the concepts of communication and teaching learning pedagogy. The book is an excellent attempt towards introducing the readers to the basics of communication and educational technology in the education of nurses and other health care professionals.

Smart Systems and IoT: Innovations in Computing Arun K. Somani, Rajveer Singh Shekhawat, Ankit Mundra, Sumit Srivastava, Vivek Kumar Verma, 2019-10-26 The book features original papers from the 2nd International Conference on Smart IoT Systems Innovations and Computing SSIC 2019 presenting scientific work related to smart solution concepts. It discusses computational collective intelligence which includes interactions between smart devices, smart environments and smart interactions as well as information technology support for such areas. It also describes how to successfully approach various government organizations for funding for business and the humanitarian technology development projects. Thanks to the high quality content and the broad range of the topics covered, the book appeals to researchers pursuing advanced studies.
