Me A Journey Into The Self:

Journey to me becoming functionally self-ISH Fiona Jeanne, 2018-07-05 WHEN WAS THE LAST TIME YOU WERE TRULY self ISH We know you re wondering and it s a good thing to wonder Because in this day and age the entire world is talking about helping others Have you noticed that most people are helping others at the expense of themselves How long can you sustain a life built on a hollow foundation Have you ever experienced trying to keep your family together your workplace sorted and end up putting all of your relationships first even before the one you have with yourself Perfectionism self sabotage people pleasing self sacrifice Identify with these Then it s time for you to Be Your Own Best Friend and nourish yourself first Because when you can love yourself unconditionally it is then that you can nurture those in need without feeling depleted yourself And you want that for the long haul don t you In this book Fiona Jeanne dives deep to show you how to balance the most important relationships YOU have with 1 Yourself Build your inner strength so your inner critic becomes your inner guide 2 Your intimate partner Deepen your connections and learn the real meaning of intimacy It s not just SEX 3 Your home front Build a harmonious yet playful environment to nurture the people little and big the things and the ideas that make your house YOUR HOME 4 Your career business Enhance your self worth to increase your net worth because you are the mumpreneur of your home aren t YOU 5 Your spirituality Align your passion with your soul s purpose How s your human experience today Journey to ME Becoming Functionally self ISH shares vulnerable insights to the depths of her life the lessons she has learned and provides you with the tools and techniques that have helped millions of people globally to become their own best friend and to do whatever it takes to maintain this friendship for life It has been said by many that for us to truly connect with the magnificence that is inside us we need to choose to see it How on earth do we do that By noticing this in people like Fiona Jeanne When you allow yourself to be inspired by Fiona Jeanne s courage vulnerability and strength We get to see it within ourselves as well For we can only see in others what is first contained within us Once we acknowledge what Fiona Jeanne shows us in this fabulous book we can t help but choose to acknowledge and notice the same within us Joe Pane Coach s Coach Senior Trainer at The Coaching Institute Master Trainer in extended DISC an internationally accredited behavioural profiling tool **Journey into Self** James Joseph Blaha III, 2010-11-05 The author of this book chronicles his life dealing with many mental diagnoses At the age of 22 he had a serious episode of depression He went on to have 6 total episodes over the course of his life These episodes were going on after being with Westinghouse for 25 years and continued after that in the merger acquisition banking business Despite this he went to college and eventually obtained an MBA Management degree His goal is to show that anyone with a mental diagnosis can be happy healthy wise and responsibly wealthy He teamed up with a friend who became a ghost writer and together they developed a working relationship to write this story It took many phone calls emails hard work and early morning rewrites to complete the final manuscript **My Intimate Journey to Self** Nancy Jo Vanhook, 2012-09 This book was written to explain my journey I just wasn t anticipating

a soul search to Hyderabad India I had to accept the sensitive intuitive gentle yet strong individual that I am I realized that I m an Indigo This took time for me to acknowledge As much as I craved the attention for love and sought it out I often thought I was not deserving of it once I found true love My honest and earnest quest for knowledge hope faith and love took me searching first on Facebook YouTube and then Google my career and family This book is my own humble esoteric training done with trust in God While I was lost and searching I found it all and more and even true love in the most surprising place India And it all started behind my computer and cell phone Journey To Self Margaret Dempsey,2009 The Journey Into Self Charles D. Leviton,2011-07 The Journey into Self offers a guide for today s polarized world a world that is caught up in all the power struggles that separate and divide us By teaching the use of guided imagery with its instant access to the subconscious we can uncover false belief systems unfinished business from the past and the real reasons for this polarization in our personal lives From discovering the true issues of one s life to a final resolution of making peace with personal pain The Journey into Self will provide direction in a simple and straightforward manner With both direction and effective communication skills you will experience a new and gentler approach to breaking down defenses knowing and expressing your own truth and facilitating change in others by changing the way you live your own life Help yourself and others heal by using imagery to explore unfinished issues from deep within the unconscious This is a handbook for creating and using the powerful and mystical techniques of guided imagery to heal both physical and emotional issues The Journey into Self offers the path to living a balanced life of gentleness love tolerance and understanding a world that values differences May to May - My Journey to Self-love with God Reabetswe Moabi,2024-08-16 One of society s main problems today is a lack of self love this is evident in the way most people live their lives sadly I was also part of the statistic The fact that I was not living life to the full bothered me in many ways I was not running my own race I constantly compared myself to others I had not accepted myself for who I was and I had not taken full responsibility for my life I was merely alive and confused Although everything on the outside looked good I felt miserable I learned the hard way that what goes on inside us is more important than what people can see A lack of self love impacted most areas of my life negatively I knew something needed to change Once I had surrendered my life to God He helped me see my own value I started May to May My Journey to Self love with God to move my life in the right direction After discovering the 20 components that lead to self love my life has never been the same I could finally accept myself just as I was I am proud to say there is no other race I would rather run than my own I needed to love myself first so I could truly live *Journey to Self: Journey to Love* Raechel Rivers,2011-07-08 Journey to Self Journey to Love is a collection of personal poems thoughts and blog entries from my journey through love In searching for love I ve continued to make a full circle back to myself and my Creator Some of the stories are sad and some funny but all are worth sharing It is my hope that lives will be touched and changed by seeing the authenticity of my experiences and perceptions I m not afraid of the truth it is what sets me free During my short 30 years of life I ve experienced so much about

love and relationships I trust that we all have experienced our fair share What if your experiences and being healed from the lessons learned are a part of your assignment from God Now who signs up for heartache and pain Not one of us If these experiences can be used to help a younger generation or to help heal another I m ready to share What I ve learned about love is that it is a journey just like life Sure it hasn t all been roses and it hasn t all been heartache but it has been a road that has led me back to my first love God my Creator This is the refreshing part of the journey This is the part of the journey where all of Heaven and the Angels rejoice in knowing that we have remembered the One who first loved us There is no greater love So I say that love is a journey where you go searching and ultimately find yourself You find the God that is within and the God who created you You remember what you were born to do Thank you for taking the time out to travel this journey with me
