Foa, Elna Yadin, Tracey K. Lichner, 2012-03-22 This book guides clinicians in treating individuals with OCD through the use of exposure and ritual response prevention one of the most effective and the most studied treatments for OCD      Beyond the Line Alice B. Aiken, Stéphanie A.H. Bélanger, 2013-11-01 Caring for veterans returning from service is just as important as preparing troops for deployment Beyond the Line is a collection of current research presented by the Canadian Institute for Military and Veteran Health Research an organization committed to finding the best solutions to

address the range of health issues arising from military service Bringing together work by defence scientists and researchers and clinicians from several Canadian universities contributors present their findings on topics such as mental physical social rehabilitative and occupational health in addition to combat care Diverse topics ranging from technology to programs for children add depth and dimension Providing expert insight into healthcare for armed forces veterans and their families Beyond the Line engages the research community towards the common goal of improved healthcare services for Canada's military population

**Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004

**Brothers of a Vow** Ami Pflugrad-Jackisch, 2011-11-01 In *Brothers of a Vow* Ami Pflugrad Jackisch examines secret fraternal organizations in antebellum Virginia to offer fresh insight into masculinity and the redefinition of social and political roles of white men in the South Young Virginians who came of age during the antebellum era lived through a time of tremendous economic cultural and political upheaval In a state increasingly pulled between the demands of the growing market and the long established tradition of unfree labor Pflugrad Jackisch argues that groups like the Freemasons the Independent Order of Odd Fellows and the Sons of Temperance promoted market oriented values and created bonds among white men that softened class distinctions At the same time these groups sought to stabilize social hierarchies that subordinated blacks and women Pflugrad Jackisch examines all aspects of the secret orders including their bylaws and proceedings their material culture and regalia and their participation in a wide array of festivals parades and civic celebrations Regarding gender she shows how fraternal orders helped reinforce an alternative definition of southern white manhood that emphasized self discipline moral character temperance and success at work These groups ultimately established a civic brotherhood among white men that marginalized the role of women in the public sphere and bolstered the respectability of white men regardless of class status *Brothers of a Vow* is a nuanced look at how dominant groups craft collective identities and it adds to our understanding of citizenship and political culture during a period of rapid change
