Wuthering Heights, by Emily Brontë ... Emily Brontë,1915 *Wuthering Heights* Emily Brontë,2017-09-02

Wuthering Heights is a wild passionate story of the intense and almost demonic love between Catherine Earnshaw and Heathcliff a foundling adopted by Catherine s father After Mr Earnshaw s death Heathcliff is bullied and humiliated by Catherine s brother Hindley and wrongly believing that his love for Catherine is not reciprocated leaves Wuthering Heights only to return years later as a wealthy and polished man He proceeds to exact a terrible revenge for his former miseries The action of the story is chaotic and unremittingly violent but the accomplished handling of a complex structure the evocative descriptions of the lonely moorland setting and the poetic grandeur of vision combine to make this unique novel a masterpiece of English literature About Emily Bronte Books Emily Jane Bronte was a British novelist and poet now best remembered for her only novel Wuthering Heights a classic of English literature Emily was the second eldest of the three

surviving Bronte sisters being younger than Charlotte Bronte and older than Anne Bront She published under the masculine pen name Ellis Bell Emily was born in Thornton near Bradford in Yorkshire to Patrick Bront and Maria Branwell She was the younger sister of Charlotte Bront and the fifth of six children In 1824 the family moved to Haworth where Emily s father was perpetual curate and it was in these surroundings that their literary oddities flourished In childhood after the death of their mother the three sisters and their brother Patrick Branwell Bront created imaginary lands Angria Gondal Gaaldine Oceania which were featured in stories they wrote Little of Emily s work from this period survived except for poems spoken by characters The Bront s Web of Childhood Fannie Ratchford 1941 Do you think Heathcliff loved Hareton even though he said he didn t Heathcliff used Hareton for his revenge but I can t help but feel like Heathcliffe loved Hareton despite not wanting too or maybe he loved him as much as someone like him could love the son of his sworn enemy Not to mention that Hareton loved Heathcliff like a father and Hareton s love couldn t have come up out of nowhere Can anyone understand Joseph s old Yorkshire dialect Perhaps the book would have been better with him dictating the story to Lockwood Wuthering Heights Emily Brontë,2023-08-29 In this new edition of Wuthering Heights by Emily Bronte re read the classic love story that has haunted and inspired nearly who ve come across it From the burning love between Catherine and Heathcliff to the estranged family dynamics at Wuthering Heights Bronte s novel explores the dangers of a love that remains forever unrequited Lockwood a striking young man from the south of England is only looking for some respite when he decides to rent a mysterious property in Yorkshire The landlord a crotchety old man named Heathcliff tends to Lockwood as he becomes acquainted with the expansive and haunting property When inclement weather strikes Lockwood is forced to stay in the manner at Wuthering Heights the home of Heathcliff himself When Lockwood suddenly falls ill Nelly the housekeeper tends to him and spills all the dirty secrets that have been concealed there over the years Learning about the turbulent relationship between Heathcliff and his deceased lover Catherine Earnshaw Lockwood struggles to piece together what truly happened on the property at Wuthering Heights The stories concealed within Wuthering Heights have been hailed as completely original in the legacy of Victorian era literature Emily Bronte created new narrative structures such as the frame narrative which had not been seen before This avant garde writing style has been celebrated for decades Wuthering Heights is a love story that will both terrify and enthrall the most daring of readers Professionally type set and including a new section about the author herself Wuthering Heights is just as riveting today as it was when it was originally published in 1847
