**E-book: Essentials of Corporate Finance** Ross, 2016-04-16 E book Essentials of Corporate Finance Corporate Finance and the Securities Laws, 6th Edition Johnson, McLaughlin, and Haueter, 2019-12-10 Corporate Finance and the Securities Laws has been winning over practitioners with its clear how to do it approach ever since its publication in 1990. This acclaimed guide is now completely updated in this Sixth Edition to help you meet the challenges of raising capital in today's increasingly regulated marketplace. Written in plain English by two top experts in the field, each with literally hundreds of successful deals under his belt, Corporate Finance and the Securities Laws is the go-to resource which explains the mechanics of corporate finance together with the statutes that govern each type of deal. You'll receive expert corporate finance analysis, procedural guidance, and practical securities law pointers every step of the way to help you structure all types of corporate finance deals, from public private and offshore offerings to corporate debt restructurings, commercial paper programs, raising capital, and asset-based securities transactions. Root out problems before corporate finance deals are put in motion with heads-up input on securities law prohibited practices, potential liabilities, conflicts of interest, due diligence concerns, and other red flag issues. Shepherd transactions through the corporate finance regulatory process with a clear understanding of applicable statutes and their implications in real-life situations. Know what to do when securities law problems crop up and find clear answers to the countless questions that develop in the course of a corporate finance deal. Close deals, raising capital in a timely manner, and work shoulder-to-shoulder with clients to accomplish your corporate finance objectives.

*Fundamentals of Corporate Finance* Robert Parrino, Thomas W. Bates, Stuart L. Gillan, David S. Kidwell, 2025-02-11 Fundamentals of Corporate Finance 6th Edition develops the key concepts of corporate finance with an intuitive approach while emphasizing computational skills. This course helps students develop an intuitive understanding of key financial concepts and provides them with problem-solving and decision-making skills. Using an intuitive approach, students develop a richer understanding of corporate finance concepts while also enabling them to develop the critical judgments necessary to apply financial tools in real-world decision-making situations. Corporate Finance 6e offers a level of rigor that is appropriate for both business and finance majors and yet presents the content in a manner that students find accessible.
