The GRE Quantitative section consists of approximately 30 items. You'll be given approximately 35 minutes to complete all items. The number and type of questions you receive will vary slightly, but every GRE Quant section contains approximately those questions.

GRE Quantitative overview

The new redesigned GRE Quantitative section includes more than 60 different quantitative concepts and skills. These are organized into three main areas:

GRE Quantitative overview

Quantitative overview

The two sections of this assignment are divided up as approximately equal proportions of comparisons, premises and theories up of semi-quantitative comparisons. Questions about the use of explicit comparisons and semi-quantitative comparisons should be asked. Please mention types include the following (in four examples per type questions will be explained during the lecture).
