

GUILTY PLEASURE

A guilty pleasure is any thought, activity, or behavior that is personally enjoyable while also evoking feelings of shame or embarrassment.

OVERVIEW

A guilty pleasure is a behavior or activity that provides joy and excitement to an individual but may also elicit negative emotions such as guilt and shame due to its perceived social disapproval. According to Schalk (2019), "A guilty pleasure is something that we enjoy, but we know we're either not supposed to like, or that liking it says something negative about us".

EXAMPLES

- **Binge-watching TV shows:** Sitting down and watch an entire season or even series in one day feels great at the time but can lead to feelings of guilt or regret later on.
- **Eating junk food:** Whether it be chips, candy, pizza, or ice cream - indulging in unhealthy foods once in a while can make you feel guilty due to the potential health consequences.

Bounce Stephanie Gordon, 2005 This book is a storytelling venture The idea was planted originally by my cousin Stephen He once said My mother always talked about how it was years ago So this is an attempt to tell Stephen and the rest of the young people in my family and in all families what it was like way back then Part I starts the book off with what was the trip of a lifetime My travels to Senegal West Africa Part I ends with the reader at my family reunion listening as I greet and meet the family I try to give them a feeling of what goes on there in the course of the day Part II is filled with information about the good old days While Part III gives an intimate peek into my childhood Part IV V and VI really gives a lot of information about the family traditions This book runs the full gamut of emotions You will laugh you may cry You will have some serious thoughts but you are sure to have plenty of fun Some chapters are going to make your mouth water as I give you a peek at some of the family recipes Ha
