ABSTRACT: Automatic recognition of people is a challenging problem which has received much attention during recent years due to its many applications in different fields. Face recognition is one of those challenging problems and up to date, there is no technique that provides a robust solution to all situations. There are many techniques used for this purpose. Face recognition is an effective means of authenticating a person. In this paper, a face recognition system for personal identification and verification using Principal Component Analysis (PCA) with Back Propagation Neural Networks (BPNN) is proposed. The dimensionality of face image is reduced by the PCA and the recognition is done by the BPNN for face recognition. The system consists of a database of a set of facial patterns for each individual. The characteristic features of pca called 'eigenfaces' are extracted from the stored images, which is combine with Back Propagation Neural Network for subsequent recognition of new images.

KEYWORDS: Neural Networks, Principal Component Analysis, Eigen Values, Eigen Vector, Back Propagation Neural Network

I. INTRODUCTION

Face recognition has a large number of applications, including security, person verification, Internet communication, and computer entertainment. Although research in automatic face recognition has been conducted since the 1960s, this problem is still largely unsolved. Recent years have seen significant progress in this area owing to advances in face modelling and analysis techniques. Systems have been developed for face detection and tracking, but reliable face recognition still offers a great challenge to computer vision and pattern recognition researchers. There are several reasons for recent increased interest in face recognition, including rising public concern for security, the need for identity verification in the digital world, and the need for face analysis and modelling techniques in multimedia data management and computer entertainment. Recent advances in automated face analysis, pattern recognition, and machine learning have made it possible to develop automatic face recognition systems to address these applications. In this paper we proposed a mathematical model and computational model of face recognition which is fast, reasonably simple, and accurate in constrained environment. Face recognition using eigenface has been shown to be accurate and fast. When BPNN technique is combine with PCA non-linear face images can be recognised easily. [1][5]

II. WORKING MODEL

The system involves three steps (Fig1):

Face Recognition Using Backpropagation Neural Network In Matlab Code:

This is likewise one of the factors by obtaining the soft documents of this **Face Recognition Using Backpropagation Neural Network In Matlab Code** by online. You might not require more get older to spend to go to the books instigation as without difficulty as search for them. In some cases, you likewise get not discover the message Face Recognition Using Backpropagation Neural Network In Matlab Code that you are looking for. It will enormously squander the time.

However below, once you visit this web page, it will be thus agreed easy to get as competently as download guide Face Recognition Using Backpropagation Neural Network In Matlab Code

It will not take many period as we explain before. You can realize it even though appear in something else at house and even in your workplace. in view of that easy! So, are you question? Just exercise just what we manage to pay for below as with ease as evaluation **Face Recognition Using Backpropagation Neural Network In Matlab Code** what you next to read!

Face Recognition Using Backpropagation Neural Network In Matlab Code Introduction

In the digital age, access to information has become easier than ever before. The ability to download Face Recognition Using Backpropagation Neural Network In Matlab Code has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Face Recognition Using Backpropagation Neural Network In Matlab Code has opened up a world of possibilities. Downloading Face Recognition Using Backpropagation Neural Network In Matlab Code provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Face Recognition Using Backpropagation Neural Network In Matlab Code has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Face Recognition Using Backpropagation Neural Network In Matlab Code. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Face Recognition Using Backpropagation Neural Network In Matlab Code. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in

such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Face Recognition Using Backpropagation Neural Network In Matlab Code, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Face Recognition Using Backpropagation Neural Network In Matlab Code has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Face Recognition Using Backpropagation Neural Network In Matlab Code Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Face Recognition Using Backpropagation Neural Network In Matlab Code is one of the best book in our library for free trial. We provide copy of Face Recognition Using Backpropagation Neural Network In Matlab Code in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Face Recognition Using Backpropagation Neural Network In Matlab Code. Where to download Face Recognition Using Backpropagation Neural Network In Matlab Code online for free? Are you looking for Face Recognition Using Backpropagation Neural Network In Matlab Code PDF? This is definitely going to save you time and cash in something you should think about.
