Religion Gone Astray Pastor Don Mackenzie, Rabbi Ted Falcon, Imam Jamal Rahman, 2011-10-03 Welcome to the deeper dimensions of interfaith dialogue exploring that which divides us personally spiritually and institutionally We believe that interfaith dialogue holds the key to a healing that calls us back to purpose and to meaning We have risked confronting aspects of our traditions usually hidden and the consequences have been deeply life affirming We risk becoming vulnerable as we share awkward and even unacceptable texts and interpretations but it is this very vulnerability that allows our dialogue to move forward from the Introduction Expanding on the conversation started with their very successful first book the Interfaith Amigos a pastor a rabbi and an imam probe more deeply into the problem aspects of our religious institutions to provide a profound understanding of the nature of what divides us They identify four common problem areas in the Abrahamic faiths Exclusivity Staking Claim to a

One and Only Truth Violence Justifying Brutality in the Name of Faith Inequality of Men and Women The Patriarchal Stranglehold on Power Homophobia A Denial of Legitimacy They explore the origins of these issues and the ways critics use these beliefs as divisive weapons And they present ways we can use these vulnerabilities to open doors for the collaboration required to address our common issues more profound personal relationships and true interfaith healing The Infancy Gospels of Jesus ,2011-06-30 Early Christian legends of divine power miraculous events fear and admiration can inform your own spiritual journey The three principal infancy gospels the Infancy Gospel of James the Gospel of the Infancy and the Infancy Gospel of Thomas are accounts of the births and early lives of Mary the Virgin Mother and Jesus Originating in the second through fifth centuries these apocryphal stories are fictions but nevertheless of great historical interest in terms of the beliefs and storytelling of early Christians for they are the sources of well known Christian legends as well as of some of Christianity's beloved heroes and heroines This fascinating and accessible exploration of formative influential narratives takes you deep into the early Christian religious thinking that provides the basis for Mary's biography ideas about her purity as well as the prayers feasts and iconic representations that celebrate her life These extraordinary folktales also provide some shocking imagery of the young Jesus the incarnation of God equally human and divine as he learns to control his supernatural powers and apply them for good Now you can experience the mystery and amusement of these charming folktales without any previous knowledge of early Christian history or thought This SkyLight Illuminations edition offers insightful yet unobtrusive commentary that explains references and philosophical terms shares inspiring interpretations and gives you a deeper understanding of the sources of devotion Christians feel for Mary and the holy infant Jesus *The Foundation of Buddhist Practice* Thubten Chodron, Dalai Lama, 2018-05-15 The second volume in the Dalai Lama's definitive and comprehensive series on the stages of the Buddhist path The Library of Wisdom and Compassion Volume 1 Approaching the Buddhist Path contained introductory material that set the context for Buddhist practice This second volume The Foundation of Buddhist Practice describes the important teachings that will help us establish a flourishing Dharma practice Traditional presentations of the path in Tibetan Buddhism assume the audience already has faith in the Buddha and believes in rebirth and karma but the Dalai Lama realized early on that a different approach was needed for his Western and contemporary Asian students Starting with the four seals and the two truths His Holiness illuminates key Buddhist ideas such as dependent arising emptiness and karma to support the reader in engaging with this rich tradition This second volume in the Library of Wisdom and Compassion series provides a wealth of reflections on the relationship between a spiritual mentor and student how to begin a meditation practice and the relationship between the body and mind How Did I Get to be 70 when I'm 35 Inside? Linda Douty, 2011 Have the courage and curiosity to face the inner changes of aging and learn how they can help you find meaning in your later years I used to think that age sixty five was the start of a slippery downward slope to the cemetery But inside I felt a surge of enormous energy with the potential to approach aging as an uncharted adventure instead of a

prison sentence from the Introduction Unlike other authors spiritual director Linda Douty discusses the challenges and surprises of aging by talking about how you actually feel not what you re supposed to feel In a warm down to earth voice she offers a spiritually grounded method to adjust to the unexpected as you grow older There is no one size fits all here but a variety of responses to the inner and outer transformations of aging and new ways of looking at them She looks at surprises welcome and unwelcome concerning Self image The physical body Relationships Spiritual life Questions for reflecting on who you are in this period of your life or who you would like to be will help you live each day more purposefully and joyfully
