The Songs We Know Best Karin Roffman, 2017-06-13 The first biography of an American master The Songs We Know Best the first comprehensive biography of the early life of John Ashbery the winner

of nearly every major American literary award reveals the unusual ways he drew on the details of his youth to populate the poems that made him one of the most original and unpredictable forces of the last century in arts and letters Drawing on unpublished correspondence juvenilia and childhood diaries as well as more than one hundred hours of conversation with the poet Karin Roffman offers an insightful portrayal of Ashbery during the twenty eight years that led up to his stunning debut *Some Trees* chosen by W H Auden for the 1955 Yale Younger Poets Prize Roffman shows how Ashbery s poetry arose from his early lessons both on the family farm and in 1950s New York City a bohemian existence that teemed with artistic fervor and radical innovations inspired by Dada and surrealism as well as lifelong friendships with painters and writers such as Frank O Hara Jane Freilicher Nell Blaine Kenneth Koch James Schuyler and Willem de Kooning Ashbery has a reputation for being enigmatic and playfully elusive but Roffman s biography reveals his deft mining of his early life for the flint and tinder from which his provocative later poems grew producing a body of work that he calls the experience of experience an intertwining of life and art in extraordinarily intimate ways *St. Louis Daily Market Reporter and Merchants Exchange Price Current* ,1914 ISET 2019 Farid Ahmadi,Dyah Rini Indriyanti,Virgiawan Adi Kristianto,2019-06-29 The proceedings of International Conference on Science Education and Technology 2019 are the compilation of articles in the internationally refereed conference dedicated to promote acceleration of scientific and technological innovation and the utilization of technology in assisting pedagogical process *Global Port Cities in North America* Boris Vormann,2014-11-27 As the material anchors of globalization North America s global port cities channel flows of commodities capital and tourists This book explores how economic globalization processes have shaped these cities political institutions social structures and urban identities since the mid 1970s Although the impacts of financialization on global cities have been widely discussed it is curious that how the global integration of commodity chains actually happens spatially creating a quantitatively new global organization of production distribution and consumption processes remains understudied The book uses New York City Los Angeles Vancouver and Montreal as case studies of how once redundant spaces have been reorganized and crucially reinterpreted so as to accommodate new flows of goods and people and how in these processes social environmental and security costs of global production networks have been shifted to the public **Serving Library Users from Asia** John Hickok,2019-06-12 Asian populations are among some of the fastest growing cultural groups in the US While books on serving other target groups in libraries have been published e g disabled Latino seniors etc few books on serving library users of Asian heritage have been written Thus the timely need for this book Rather than a generalized overview of Asians as a whole this book has 24 separate chapters each on 24 specific Asian countries cultures of East Southeast and South Asia with a wealth of resources for understanding interacting with outreaching to and serving library users of each culture Resources include cultural guides both print and online language helps with sample library vocabulary Asian booksellers nationwide cultural groups professional literature and more Resources and suggestions are given for all three types of

libraries public school and academic making this book valuable for all librarians The demographics of each Asian culture numbers and distribution plus history of immigration and international student enrollment is also featured As a bonus each chapter spotlights a US public school and academic library providing model outreach to Asian library users Additionally this book provides a detailed description and analysis of libraries in each of the 24 Asian countries The history development facilities conditions technology classification systems and more of public school and academic libraries are all discussed with detailed documentation Country conditions influencing libraries and library use are also described literacy levels reading cultures languages and writing systems educational systems and more Based on the author s 15 years of research and travels to Asia this work is a must have for all librarians

Teaching Indigenous Students Thelma Perso, 2020-07-16 Indigenous children like all children deserve a future they choose for themselves This book aims to empower teachers to help halt the cycle of disadvantage for Aboriginal and Torres Strait Islander students and make a real difference to their relationships learning outcomes and opportunities in the short and long term Based on their many years of experience in teaching and research the authors provide approaches that have been proven to be effective There are strategies for developing sensitivity to a student s cultural background creating a tone in the classroom conducive to learning building strong teacher student relationships and effectively managing student behaviour The authors show how to bridge the demands of the curriculum with the learning Indigenous students bring with them to the classroom and how to work with the learning styles of Aboriginal and Torres Strait Islander students There is a focus on the best approaches for assessment and an exploration of the particular challenges for teachers of students in remote locations Both practical and inspiring this is an essential reference for all teachers working with Indigenous students whether they be in the city or rural areas in a class of twenty five or just one student Teaching Indigenous Students should be essential reading for all educators This book will challenge the mind and stir the spirit of the practitioner and will help forge a new future for the teaching of Aboriginal and Torres Strait Islander students A seminal piece of work Professor Mark Rose Executive Director of Indigenous Strategy and Education La Trobe University Hayward and Perso provide the knowledge wisdom and insights that guarantee success to any teacher who is prepared to embrace their messages and work hard to make Indigenous students stronger and smarter Dr Chris Sarra Chairman Stronger Smarter Institute This is a quality piece of work that will contribute to a more informed Australian teaching workforce and more happier and successful Indigenous learners Professor Peter Buckskin PSM FACE Dean Indigenous Scholarship Engagement and Research University of South Australia Teaching Indigenous Students has been shortlisted for the 2016 Educational Publishing Awards in the category Tertiary Wholly Australian Student Resource

Primary Science Education in East Asia Yew-Jin Lee, Jason Tan, 2018-09-26 This edited volume is a state of the art comparison of primary science education across six East Asian regions namely the People s Republic of China Republic of Korea Republic of China Hong Kong SAR Japan and Singapore While news of educational policies classroom teaching

assessment and other educational innovations here often surface in the international media this book brings together for the first time relevant information regarding educational systems and strategies in primary science in East Asia Above all it is a readable yet comprehensive survey readers would have an accurate sense of what has been accomplished what has not worked so well and what remains to be done Invited experts in comparative education research and or science education also provide commentary by discussing common themes across the six regions These types of critical synoptic reviews add much value by enabling readers to understand broad commonalities and help synthesize what must surely be a bewildering amount of very interesting albeit confusing body of facts issues and policies Education in East Asia holds many lessons both positive and negative to offer to the rest of the world to which this volume is a timely contribution to the literature
