Uterine Fibroids John C. Petrozza, 2020-11-02 Uterine fibroids are a painful condition that may also create serious limitations on a patient's reproductive options This new text from an acknowledged expert at a major regional referral center fully reviews the relevant diagnostic factors as well as the potential new medical treatments and current thinking about the various sometimes controversial surgical options available for management Print versions of this book also include access to the eBook version with links to procedural videos

Atlas of Clinical PET-CT in Treatment Response Evaluation in Oncology Stefano Fanti, Gopinath

Gnanasegaran,Ignasi Carrió,2021-07-07 This atlas is a superb guide to the use of PET CT for the evaluation of treatment response in oncology patients based on its ability to assess tumor metabolic status The first part of the book explains the role of PET CT in response evaluation in different treatment settings For comparison overviews of the value and limitations of CT alone PET alone and anatomical and functional MRI are included Guidance is also provided on the reporting of PET CT scans in post therapy scenarios The second part of the book describes and illustrates the use of PET CT with FDG and other tracers to assess the treatment response of malignancies at different anatomic sites Featuring a wealth of images informative case based discussion and evidence based teaching points these disease specific chapters clearly demonstrate the key role that PET CT can play in distinguishing early responders from patients who are non responders or are resistant to treatment Prompt and accurate evaluation of treatment response is vital as we enter the era of individualized medicine and this atlas will persuade readers of the considerable advantages of PET CT over conventional radiological and clinical methods

Debating Yoga and Mindfulness in Public Schools Candy Gunther Brown,2019-03-27 Yoga and mindfulness activities with roots in Asian traditions such as Hinduism or Buddhism have been brought into growing numbers of public schools since the 1970s While they are commonly assumed to be secular educational tools Candy Gunther Brown asks whether religion is truly left out of the equation in the context of public school curricula An expert witness in four legal challenges Brown scrutinized unpublished trial records informant interviews and legal precedents as well as insider documents some revealing promoters of Vedic victory or stealth Buddhism for public school children The legal challenges are fruitful cases for Brown s analysis of the concepts of religious and secular While notions of what makes something religious or secular are crucial to those who study religion they have special significance in the realm of public and legal norms They affect how people experience their lives raise their children and navigate educational systems The question of religion in public education Brown shows is no longer a matter of jurisprudence focused largely on the establishment of a Protestant Bible or nonsectarian prayer Instead it now reflects an increasingly diverse American religious landscape Reconceptualizing secularization as transparency and religious voluntarism Brown argues for an opt in model for public school programs

The Developing World of Arbitration Anselmo Reyes,Weixia Gu,2018-02-22 The Developing World of Arbitration studies the recent emergence of Asia Pacific jurisdictions as regional or international arbitration centres thanks to various reform efforts and initiatives This book provides an up to date and comprehensive analysis of the ways in which arbitration law and practice have recently been reformed in Asia Pacific jurisdictions Leading contributors across the Asia Pacific region analyse twelve major jurisdictions representing varying patterns and degrees of development whether driven from top down bottom up or by some hybrid impetus Setting the arbitration systems and reforms of each investigated jurisdiction in the context of its economic political and judicial dynamics this book presents for the first time a cross jurisdiction comparative and contextual study of the developing world of arbitration in the Asia Pacific and contributes to comparative international arbitration literature from an

Eastern perspective It also aims to identify an Asia Pacific model of arbitration modernisation one that may be distinct from a Western model and predicts future trajectories of development and challenge in light of the ever increasing competition between Eastern and Western based arbitration centres This edited collection will be an invaluable addition to the libraries of academics and practitioners in the field of international commercial arbitration *Global Perspectives on Intercultural Communication* Stephen M. Croucher, 2017-06-12 What is intercultural communication How does perspective shape a person's definition of the key tenets of the term and the field These are the core questions explored by this accessible global introduction to intercultural communication Each chapter explores the topic from a different geographic religious theoretical and or methodological perspective with an emphasis on non Western approaches including Buddhist South American Muslim and Chinese perspectives Featuring the voices of a range of international contributors this new textbook presents the full breadth of diverse approaches to intercultural communication and showcases the economic political and cultural societal needs for and benefits of communicative competence
