

Medieval Castles

This project requires you to define parts of a castle, build a model castle or draw a model castle, and find similarities in modern day buildings.

1. The following 15 vocabulary words need to be defined in your own words: **(15 points)**

Arrow loop, crenels, merlons, vestibule, garderobe, wall walk, portcullis, drawbridge, moat, great hall, dungeon, barbican, parapet, forebuilding, and turret.

2. You then must either build or draw a model castle. If built, this castle needs to have a base that is no larger than a desk (18" x 24"). If drawn, it needs to be on a paper that is larger than 8.5x11 so students can see clearly. This can be a design of your own or a model of a real castle. **(15 points)**

Requirement	Points Earned
Castle is within the size limits and is not too small for students to observe clearly. (5 points)	
Castle is complete with all parts referenced. (5 points)	
Castle looks appealing and, if built, is staying together throughout the day. (5 points)	
Total Points Earned	

3. All vocabulary words above should be labeled on your castle. I recommend making flags with toothpicks that label the parts. **(15 points)**

4. Provide a fact sheet to put in front of your castle that gives 5 facts you learned and want to share about castles in the middle ages. **(5 points)**

5. Find 2 examples in modern day buildings that use similar architectural features as those found in medieval castles. Describe these similarities. **(10 points)**

Requirement	Points Earned
Student found 2 modern day uses of an architectural feature that is relevant to their medieval castles and describes this feature on this modern day building. (5 points)
